Admission Notice for Master of Science in
Wildlife Management (WM),
Watershed and Landscape Management (WLM),
Natural Resource Management and Governance (NRM&G),
Mountain Environment and Resilience (ME&R)
Community Forestry (CF)

Academic Session 2083-2085 B.S. (2026-2028)

Institute of Forestry (IOF), Office of the Dean, invites applications from interested and qualified Nepali and foreign nationals who wish to pursue an M.Sc. degree at different campuses of Tribhuvan University, Institute of Forestry, Nepal. Program details are available on our webpage www.iof.tu.edu.np and application forms can only be filled out online. Nepali citizens have to pay NRs 3500.00 (as an application fee) directly from the entrance portal of IOF through connect-IPS, Khalti or eSewa. If an applicant wants to apply for entrance in more than one program, s/he must deposit an additional NRs. of 200.00 for each additional program. Foreign nationals can fill up the form by attaching a draft of US$ 30.00.

Eligibility Criteria for Applicants:

Program	**Eligibility**
Master of Science in Wildlife Management (WM)	An applicant must have a four-year Bachelor's degree in Forestry/Environmental Science/Zoology from Tribhuvan University or a university recognized by it securing minimum of 45 percent marks in aggregate.
Master of Science in Watershed and Landscape Management (WLM)	An applicant must have a four-year Bachelor's in Forestry/Engineering/Medicine/Agriculture/Science from Tribhuvan University or a university recognized by it, securing minimum of 45 percent marks in aggregate.
Master of Science in Natural Resource Management and Governance (NRM&G)	
Master of Science in Mountain, Environment and Resilience (ME&R)	
Master of Science in Community Forestry (CF)	

Scholarship:

With effect from the current academic year, the scholarship (tuition fees only) has been increased from 10% to 20% of the total admitted students (at least five students) in each program. The scholarship will be awarded based on the entrance merit score in the first semester, and in subsequent semesters, it will be awarded based on the student's score in the previous semester. If scores are equal among the students in regular examinations, scholarships will be distributed equally among them.

Required Documents:

Scanned copies of the academic transcript of the B.Sc. degree in the respective fields, along with the bank voucher and a PP size photo, must be attached to the online application form.

For Nepali Applicants:

1. Citizenship certificate (for Nepali), bank voucher, or receipt of payment through Internet banking, mobile banking, or Connect IPS, e-Sewa.
2. An applicant who is a graduate of a university other than Tribhuvan University must submit migration certificate.

For Foreign Applicants:

1. Passport
2. Two reference letters of academic and research competence
3. Foreign candidates are required to undertake undergraduate courses in the English language
4. An applicant who is a graduate of a university other than Tribhuvan University must submit migration **or** equivalence certificates.

Note:

1. BSc Sciences includes Botany, Chemistry, Physics, Zoology, CSIT, Food Technology, Geology, Hydrology & Meteorology, Biotechnology, Microbiology, Mathematics, Statistics, Environmental Science, Environmental Management

Student seats for each campus/school are as per the decision of the Faculty Board of the IOF

Programs	**Seat Category**	**Seat allocation**			
		School of Forestry & NRM	**Pokhara Campus**	**Hetauda Campus**	**KAFCOL**
M.Sc. (Wildlife Management)	General			11	
	Department/ Project			3	
	International			1

Total		**10**	**35**	**25**	**20**
Grand Total: 90 (Ninety only)					

Selection Process:

Nepali applicants are required to appear for the entrance examination. The questions will be objective. An applicant must secure a minimum of 45% marks to pass the test. The merit list of applicants will be prepared based on their entrance examination scores. Foreign applicants will be selected on the basis of their bachelor's level grades. The tuition fees for foreign students and students admitted under department/project seats shall be the same as those for students admitted under the general seats. If any seats allocated to foreign students or department/project categories remain vacant, they shall be transferred to the general admission category. A student admitted to one program must cancel his or her admission in that program if he or she wants to be admitted to another program during the admission period. 50% of the fee paid during the admission (including the semester fee) will be charged for cancelation of any admitted candidate.

Fee structure:

		M.Sc. Wildlife Management		**M.Sc. WLM, NRM&G, ME&R, & CF**	
S.N	**Particulars**	**Amount (NRs.)**		**Amount (NRs.)**	
		Year I	Year II	Year I	Year II
1	Admission Fee	3000		3000	
2	Tuition Fee NRs. 75000/- per sem	150000	150000		
3	Tuition Fee NRs. 50000/- per sem			100000	100000
4	Exam Fee NRs. 4000/- per sem	8000	8000	8000	8000

INSTITUTE OF FORESTRY

5	Hostel Fee per semester (If provided)	As per campus			
6	Library Fee NRs. 2000/- per sem	4000	4000	4000	4000

	Total	182000	188000	132000	138000

Syllabus for Entrance Exam:

General Questions: (for all programs): 25 marks

The syllabus of general questions cover B.Sc. Level. courses in (Physics, Chemistry, Botany, Zoology, Geology, Hydrology, Metrology, Microbiology, Biochemistry, Biotechnology, BMLT, BPH, Pharmacy, CSIT, Statistics, Environment and Mathematics), Forestry, Watershed Management, Natural Resource Management and General knowledge.

For MSc in WM: 25 marks

Wildlife Management, Ecotourism, Zoology and Mammalogy, Biodiversity conservation, Protected Area Management, Wildlife Biology, Research Methodology, General knowledge related to Forestry.

For MSc in WLM, NRM&G, ME&R and CF: 25 marks

Climate Change, Hydrology, Forests Geology, Survey, Research Methodology, General Knowledge related to Forestry, Remote Sensing & GIS, Landuse, Soil & Water Conservation, Soil Engineering. Community Forestry, Statistics.

- 25 General Questions for all programs (25*1) = 25 Marks (respective studied area in B.Sc. level)
- For WM: 25 questions (25*1) = 25 marks
- For WLM, NRM&G, ME&R & CF: 25 questions (25*1) = 25 marks
- Total 75 marks

Student Applying all programs 100 Questions (25 General+25 Forestry+25 WM + 25 (WLM, NRM&G, ME&R, CF) =2 hours

Student Applying Only WM 50 Questions (25 General + 25 WM) = 1hour

Student Applying Only Forestry and WM 75 Questions (25 General + 25 Forestry + 25 WM) =1.5 hours

Student Applying any or all of NRM&G, WLM, ME&R, and CF 50 Questions (25 General + 25 WLM, NRM&G, ME&R, CF) =1 hour
