# MAHARAJGUNJ NURSING CAMPUS

Maharajgunj Nursing Campus, the pioneer nursing institute in the country was started in the year 1956 AD as a School of Nursing under the Directorate of Health Services, Ministry of Health. The nursing school offered a three & half years basic nursing program. With the inception of a New Education System Plan in 1972, the nursing education program along with other health related educational programs, came under the Tribhuvan University (TU), Institute of Medicine (IOM). The School of Nursing was then named as Maharajgunj Nursing Campus and the basic nursing program was changed to Proficiency in Certificate Level (PCL) with three years duration course. This campus was has started Post-Basic Bachelor of Nursing from the year 1976, Master of Nursing in the year 1995, a Generic B. Sc. Nursing from 2005 and Ph D. Program from 2012. PCL Nursing program has been phased out since the year 2015.
