Message from the Campus Chief

It gives me immense pleasure to present the Annual Report of Biratnagar Nursing Campus for the Academic Year 2025/2026. Biratnagar Nursing Campus, one of the Nepal's pioneering nursing education institutions, has been contributing to development of competent, skilled, and socially responsible nursing professionals. As nursing continues to be a predominantly female profession, it also plays an important role in promoting women's economic independence and self-reliance. The campus is committed to excellence in nursing education, research, professional development, and institutional growth. The graduates of Biratnagar Nursing Campus have been serving in reputed hospitals, academic institutions, NGOs, INGOs, and other health related organizations both within Nepal and aboard, with rewarding professional opportunities.

The campus has undergone significant academic transformation in response to changing needs of nursing education and national health priorities. The campus offered PCL and BNS programs until 2077 B.S. The B.Sc. nursing program was introduced in 2078 B.S. with 40 seats, replacing the earlier PCL nursing programs, and the BNS program was updated from 25 to 40 seats. From the academic year 2081 B.S., the B.Sc. Nursing intake has been updated to 50 seats. In basic level nursing program 85% Female and 15% male quota has been allocated by Nepal Nursing Council (NNC) and Medical Education Commission (MEC) Policy.

During the academic year 2025/2026, the campus has continued to strengthening teaching learning activities, clinical practice, faculty research and staff development student support service, quality assurance and institutional management. Emphasis has also been placed on promoting evidence-based teaching, research-oriented learning, professional ethics, effective use of information technology, and a supportive academic environment. Clinical learning and quality practices have been strengthened through collaboration with appropriate health institutions, enabling students to develop the knowledge, skills, attitudes, and professional competencies required for contemporary nursing practice.

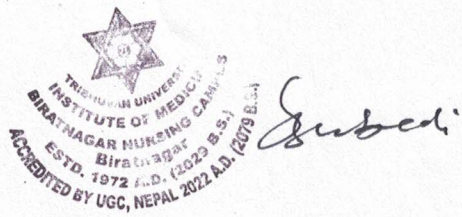

As we move forward, Biratnagar Nursing Campus remains committed academic excellence, quality improvement, digital transformation, research and innovation, effective governance, and sustainable institutional development. The campus will continue to strengthen its EMIS and information management systems, enhance faculty and staff capacity.

CHAPTER 1

BACKGROUND

1.1 INTRODUCTION

Biratnagar Nursing Campus is a constituent campus of Tribhuvan University's Institute of Medicine (IOM) in Koshi Province, with a long-standing tradition of excellence in nursing education and healthcare training. The institution was originally established in 2023 BS by His Majesty's Government of Nepal, Ministry of Health, as an Auxiliary Nurse Midwife (ANM) training school and was later handed over to TUIOM in 2029 BS.

Over the years, the campus has earned a strong reputation as one of Nepal's leading nursing institutions. It has achieved an average 85 % pass rate in its Bachelor of Nursing Science (BNS) and B.Sc.nursing (BSN) annual programs. The campus also contributes significantly to women's empowerment and self-reliance by producing competent nursing graduates who serve in hospitals, educational institutions, NGOs, INGOs, and other health organizations in Nepal and abroad.

The campus has well developed physical and academic facilities to support effective teaching and practical learning. These include administrative and academic building, library, student hostels and employee quarters, along with skills laboratories for Fundamental Nursing, Midwifery Nursing, Community Health, Anatomy and Pathology, Biochemistry, Pathology and Microbiology. Clinical learning is mainly conducted at the nearby Koshi Hospital Under a formal Memorandum of Understanding (MOU) between the Ministry of Health and Population (MoHP) and IOM. Additional specialized clinical experiences are provided through affiliations with Nobel Medical College Teaching Hospital, Birat Medical College Teaching Hospital, and B.P. Koirala Memorial Cancer Hospital. The campus follows its academic calendar of operation and provides a balanced learning environment through classroom teaching, clinical practice, extracurricular activities and community based health program.

Looking ahead, Biratnagar Nursing Campus remains committed to academic and professional excellence. With a focus on nursing as both an art and science and its contribution to the SDGs, the campus is continuously strengthening its academic and physical facilities. The campus aspires to become an Academic Centre of Excellence in nursing education, practice,

research, and health management, producing competent, compassionate, and socially responsible nursing professionals for Nepal and beyond.

1.2 Quality Enhancement

Biratnagar Nursing Campus was awarded the Certificate of Institutional Accreditation for Quality Assurance by the University Grants Commission (UGC) on 11 September 2022(26 Bhadra 2079) following the completion of the first QAA cycle. Since accreditation, the campus has continued its commitments to continuous quality improvement, institutional development, academic excellence, and strengthening of teaching and learning, research and students supports service. As the four-year accreditation cycle is nearing completion, the campus has reviewed its progress and achievements against the QAA criteria and benchmarks. The campus is now working in second cycle of QAA accreditation; the campus plans to submit the Letter of Intent (LoI) to the UGC-QAAD for the second cycle, followed by the preparation and submission of the Self-Study Report (SSR). The campus remains committed to sustaining quality standards and further enhancing its academic and institutional performance through continuous improvement.

1.3Organizational Structure of Biratnagar Nursing Campus

Biratnagar Nursing Campus has been running under the Tribhuvan University, Institute of Medicine as a constituent campus. Accordingly, the Campus has different Committee under the chairmanship of Campus chief. The different committee comprises of the representatives from teaching and non-teaching staff. The campus has also various sections i.e. administrative management, financial management, academic management, library etc. The organogram is given below.

CHAPTER TWO

ACEDEMIC PROGRAMM

In the past, Biratnagar Nursing Campus offered academic programs ranging from PCL Nursing to bachelor's level. In accordance with the National Higher Education Policy, the PCL Nursing program was completely phased out from the academic year 2075B.S.

At present, the campus currently offers Bachelor in Nursing Science with specialization in Adult Nursing along with four-year programs in Generic Bachelor of Science in Nursing (B.Sc. Nursing).

To maintain and enhance the academic excellence and quality of the campus, an Annual Academic Calendar/Master Plan is prepared for each academic session. The plan is developed institutionally through the joint participation and intensive consultation of the Campus Chief, Campus Students wellfare chief, Heads of Departments, faculty members, and Class Coordinators.

Acedemic Program Afiliation

The overall academic programs of Biratnagar Nursing Campus are conducted under the policies, rules, and regulations of Tribhuvan University (TU) and the Institute of Medicine (IOM).

Departmental structure

Biratnagar Nursing Campus has two officially approved departments (Maternal Health Nursing and Adult Health Nursing). However, for the effective management of academic activities and to facilitate the teaching-learning process, the campus has been functionally divided into five departments, i.e. Maternal Health Nursing, Adult Health Nursing, Child Health Nursing, Community Health Nursing and Psychiatric Nursing through which teaching and other academic activities are currently conducted.

mannequins, and simulation equipment in different skill laboratories have significantly contributed to strengthening students' practical skills, experiential learning, and competency-based education.

Library

Biratnagar Nursing Campus has a well-equipped and spacious library with a reading capacity of 50 students, providing open access to textbooks, reference books, journals, theses, and other learning resources. The library has a collection of approximately 12452 books, in EMIS total books73489 (text books 6875and reference books 473), 50 national journals, theses, term papers, magazines, newspapers.

The library is automated through Erasoft software for efficient management of book accession, circulation, issue, and return services. It provides free internet access, an e-resource centre, HINARI access, computers, printing, typing, and photocopying facilities to support students, faculty members, and researchers. The library also provides access to national and international online journals and databases.

The library remains open during regular working hours and is extended when necessary to support students during examinations, group work, and project preparation. It also operates during vacations and without a lunch break through staff rotation to ensure uninterrupted services. Library In-charge and one supporting staff oversee library management and services. Library Manual is also in place to ensure effective and systematic operation.

Provision for Practical and Clinical Practice

Practical and clinical practice is an integral component of the nursing education curriculum. In accordance with the practical requirements prescribed by the undergraduate nursing programs, students of Biratnagar Nursing Campus are provided with opportunities to participate in clinical and community-based learning activities in various levels of hospitals, health offices, primary health care centers, and community settings.

The health institutions and community-based settings affiliated with the campus for practical and clinical training are listed below:

- Koshi hospital

- Biratnagr Eye Hospital
- Health offices and health facilities
- Primary Health Care Centers (PHCCs)
- Community-based health settings
- Geriatric Homes
- Other relevant clinical practice sites as required by the curriculum

In addition to clinical placements, the campus provides practical learning opportunities through various Skill Laboratories. The use of models, mannequins, simulators, and other skill-lab equipment enables students to practice and demonstrate essential nursing procedures in a safe and controlled learning environment. These facilities significantly contribute to strengthening students' practical knowledge, clinical skills, confidence, and readiness for real-world clinical practice.

Observation Visits

As prescribed in the students' curriculum, arrangements have been made for observation visits to various government and non-government organizations and institutions. These visits provide students with opportunities to gain practical exposure, enhance their understanding of institutional practices, and relate theoretical knowledge to real-world settings.

Community Health Nursing Practical Experience

As part of the Community Health Nursing academic program, students have been utilizing various hospitals, primary health care centers, and communities as field practice sites for their practical learning. These include Biratnagar Minicipality ward no 5,.8, 18, 19; Katahari rural municipality, Kerabari Rural Munipacility, Raneli Municipality, Inaruwa Munipacility etc… among others. Consequently, Biratnagar Nursing Campus has been playing a leading role in producing competent, skilled, and quality human resources required for Nepal's health sector.

Examination and Evaluation System

The campus conducts examinations and assessments for Bachelor's programs in accordance with the approved academic calendar and examination guidelines of Tribhuvan University,

Institute of Medicine. Various assessment methods are used to evaluate students' theoretical knowledge, practical skills, and overall academic development.

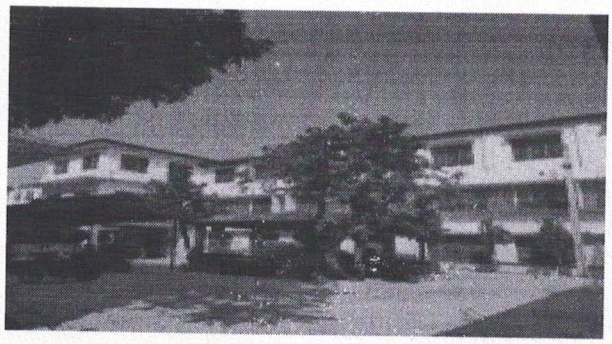

For theory courses, 20% is allocated to three internal assessments through written exam, viva voce, case studies, while 80% is based on the final written examination. Practical and clinical courses are assessed through clinical performance, OSPE/OSCE, viva voce, case studies, physical examination, nursing care plans, clinical teaching, and observation reports. Standardized checklists, and rating scales, are used to ensure objective, transparent, and systematic evaluation. Students who do not pass an examination are provided an opportunity to appear in a re-examination within three months, as per the examination regulations of the Institute of Medicine.

CHAPTER THREE

PHYSICAL INFRASTRUCTURE

Biratnagar Nursing Campus is located on its own land measuring 12 Kattha 6 Dhur in Ward No. 7 of Biratnagar Metropolitan City, Koshi Province, Nepal. In addition, TU PG Campus, Biratnagar, has donated 2 Bigha of land to the campus to support its future development and expansion.

The campus has four existing buildings, which support the systematic and efficient functioning of its academic, administrative, residential, and institutional activities. In addition, one multipurpose building is currently under construction. The major buildings and their facilities are as follows:

1. **Main Building:** The main building is E-shaped and accommodates separate rooms for faculty members, classrooms, a library, meeting room, skill laboratories, study room, water plant, Research Management Cell (RMC), student mess and dining hall, canteen, and student placement and counseling room.
2. **Multipurpose Building:** This building houses classrooms and the main administrative offices and provides additional space for academic and institutional activities.
3. **Hostel and Residential Building:** This building includes the hostel warden's room, staff quarters, and boys' hostel.
4. **Academic and Support Building:** This building consists of classrooms, a store room, and rented shutter spaces.
5. **New Academic building under construction:** These buildings will consist of class room, library and auditorium hall.

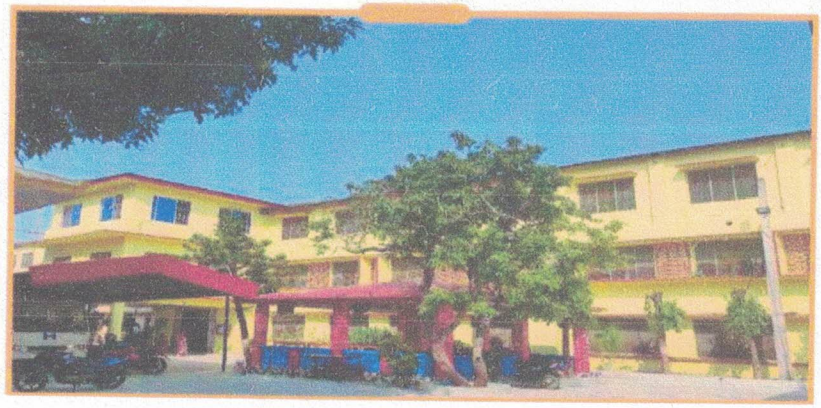

The campus gives high priority to educational sanitation, hygiene, and gender-sensitive facilities. Adequate toilet and sanitation facilities are available for students and staff. To promote menstrual hygiene and ensure a gender-responsive learning environment, pad vending machines are also provided for female students.

Biratnagar Nursing Campus has three library rooms. The library has a collection of textbooks, issued books, and reference books to support students' academic and learning needs. In addition, a computer laboratory is available to facilitate digital learning, information access, and academic activities. To facilitate students' academic activities and provide convenient access to learning resources, the library remains open continuously from 8 AM to 6:00 PM. In addition to regular library services, technical facilities such as computers, printing, and photocopying services are also available within the library.

The library provides access to national and international journals regularly received from various universities, campuses, and professional institutions. To keep students and faculty members informed about current affairs, information, and news, major national daily newspapers such as Gorkhapatra, Kantipur, and Kathmandu Post, among others, are made available free of charge.

Teaching and Non Teaching Staff of Biratnagar Nursing Campus

Professional Development Program (CDP)

Biratnagar Nursing Campus (BNC) remains committed to enhancing the capacity, competency, and academic qualifications of its teaching and non-teaching staff. Institutional policies actively support faculty pursuing higher education, including Doctoral-Level (PhD) studies.

To strengthen professional performance, staff regularly participate in college level, national and international short-term training programs, seminars, workshops, and conferences. BNC faculty continuously update their expertise by contributing as resource persons, trainers, and experts for other organizations such as the University Grants Commission (UGC), Tribhuvan University (TU), Institute of Medicine (IOM), Ministry of Health and Population (MoHP), National Health Training Center (NHTC), Nepal Health Research Council (NHRC), and the Nepal Nursing Association (NAN).

FINANCIAL STATEMENT

In present scenario, various educational scopes have covered wide area in several sectors. There are numerous ongoing research and study activities on medical and nursing sciences paradigm that has reached certain peak. In order to blossom our nation with national and international level highly skilled and competent manpower in the field of nursing sciences, this Biratnagar Nursing Campus has been established as a constituent campus of Institute of Medicine, Tribhuvan University. This campus has been conducting the two programs of graduate level of Bachelor in Nursing (BNS) and Bachelor Science in Nursing along with PCL nursing program. The legal provision for conducting the program, scholarship of 75% of students and full payment of 25% of students with joint coordination among National Medical Education Commission, Ministry of Health and Population, Ministry of Education and Technology and Institute of Medicine (TU) has been regulated since the 2081/81 academic year, and our college has gotten the opportunity to take the responsibility of those students. If financial condition of the Campus were sound, all the academic, administrative and research activities could be operated smoothly. Maximum part of the budget has to be used for salaries, scientific tools and equipment, repair and maintenance, Telephone and internet charges, electricity charges and so on. University provides the grant only for salaries and provident fund.

University provides the grant only for salaries and provident fund. All the academic, administrative and infrastructure expenses are borne by internal sources. From this fiscal year, National Medical Education Commission of Nepal government has provided the grant to those 75% students selected for the scholarship which equals to the expenses of those students admitted with full payment.
