Tribhuvan University Alumni Association Nepal

Introduction

Tribhuvan University Alumni Association Nepal (TUAAN) is an association of students who graduated from Tribhuvan University (TU). TUAAN is established under the "TU Alumni Association Directives – 2074" which was approved by the TU Executive Council under the chairmanship of the Vice-chancellor on November 28, 2017. TUAAN aims to unite and develop network with all the TU graduates, build up continuous interaction, and work towards the welfare of TU, society, and the country. The office of TUAAN is located at the TU Memorial building in Kirtipur, Kathmandu.

The VMGO of TUAAN

The vision of TUAAN is "Helping to enhance the lifetime relationship of all alumni with Tribhuvan University and work together for the benefit of each other" with the mission "To work for the welfare of alumni and the TU". The main goal of TUAAN is "to promote the welfare and effectiveness of Tribhuvan University through the optimum utilization of alumni resources for the sustainable development and empowerment of TU". The TUAAN has specific objectives to provide a forum for members of TU alumni throughout the world to interact and sustain a sense of belongingness through mutually beneficial contacts and to provide avenues for drawing upon the knowledge and expertise of the alumni for furthering the TU as a center of excellence. It also aims to generate academic, physical, and financial resources to establish and promote the core principles of TUAAN.

Who are eligible for membership?

An individual who has received a degree of either D. Lit., Post Doc, PhD, M. Phil, Master, or Bachelor from Tribhuvan University is eligible for membership of TUAAN. However, individual with a Proficiency Certificate degree before its phase-out from Tribhuvan University is also eligible for the membership. TUAAN offers four categories of membership to individuals: general member, life member, founder member, and honorary member. Individuals who have served on the executive committee during the period of registration of TUAAN are awarded founder membership. Similarly, an individual who has contributed significantly to the field of any discipline can be awarded as an honorary member. With the nominal charge, the TUAAN office shall provide a membership identification card.

Publications

TUAAN has developed its own website (http//:www.tuaan.edu.np). It plans to have its own publications, online or print papers, newsletters, and journals. TUAAN published its first "Alumni Smarika" in 2023 during the fourth annual meeting. The publication is available and those who are interested to read it can get a copy from the TUAAN office, located at the TU Memorial building on the 1st floor.

Programs and Activities

TUAAN aims to bring all the members under one roof with academic and social activities for the benefit of the nation. It invites all TU graduates to come together and join hands for optimum utilization of the alumni resources and work for strengthening TU. TUAAN plans to extend its activities from sub-committees and extend membership in different continents, America, Europe, Asia, Africa and Australia. It also plans to build its own multi-purpose building with the support of TU alumni throughout the world.

Financial Management

The major source of fund of TUAAN is the membership fee. Other sources are the amounts received as grant assistance or donation from alumni, any person or organization and amount of loan or cash or goods, and donation obtained from the government of Nepal, foreign grants and assistance and consultancy and other services fee. TUAAN has its own account in Nepal Bank Limited at Kirtipur branch. One can contribute to TUAAN by depositing the amount directly to the current account no. 04500106501633000002. Similarly, current bank account no. 00501010006620 is maintained at Global IME bank Ltd. Kirtipur branch which also can be used to contribute to TUAAN.

Structure

As per the directive, a general assembly of TUAAN elects the executive committee consisting of 27 members that constitute five officials (Chairperson, Vice Chairperson, General Secretary, Secretary, and Treasurer) and 22 members for four years tenure. TUAAN held its fourth annual general meeting on 21st Poush 2079 (5th January 2023) at Smiriti Bhawan of Tribhuvan University (TU Memorial Building), Kirtipur and elected new executive committee for the next term. List of the committee members with their designation is as follows:

आगामी कार्यक्रमहरू

Aims to unite and network with all the TU graduates, build up continuous interaction, and work towards the welfare of TU, the society, and the country.

Four Pillars

1. Start a campaign for donations to TU, online transactions made it easier!
    1. The campaign will be for both small and big donations!
    2. This will set an example for other universities in Nepal.
2. Alumni Success Stories. Database Preparation.
3. A website where every alma gets connected.
4. Continued Discourse – Depoliticising TU

Dear Dhiraj,

MSM Alumni Department . tagged you in a post:

"**CALL FOR PAPERS**

"**The Future of Work: Challenges and Opportunities In A Disrupted World**"

MSM issues a Call for Papers to address the rapidly changing world of work, driven by technological advancements, such as digitalisation, robotisation and AI, in a context of climate change – and globalisation, demographic shifts, and -increasingly- geopolitical tensions and disruptions. These disruptive developments are having a profound impact on workers, businesses, and societies around the world.

To discuss and address the key challenges and opportunities facing the world of work, MSM organises the conference "The Future of Work: Challenges and Opportunities in a Disrupted World", aiming at bringing together academics, experts, practitioners, policymakers and stakeholders from a variety of disciplines.

Research topics

The conference is open to submissions on all topics related to the future of work. We are particularly interested in papers that:

- Offer new insights into the challenges and opportunities of the future of work
- Develop new theoretical frameworks or empirical methods for studying the future of work
- Propose new policies or interventions to address the challenges and opportunities of the future of work

For more details on the research topics, please visit the event page: msm.nl/news-events-and-blogs/events/call-for-papers-the-future-of-work-challenges-opportunities-disruptive-world.

Objectives of an alumni association

- Boost alumni placement
- Increase student engagement
- Drive alumni donations
- Enhance alumni data

Why is an Alumni Network Important?

- One of the best parts of being part of an alumni association is the network that comes with it. An alumni network connects you, as a graduate, with several professional contacts and other graduates from your university.

Tribhuvan University Alumni Association Nepal (TUAAN)

- An association of students who graduated from Tribhuvan University.
- Established under the “TU Alumni Association Directives – 2074” approved by the TU Executive Council on 28 Nov 2017.
- The office of TUAAN is located at the TU Memorial Building in Kirtipur, Kathmandu.

Vision, Mission, Goal, and Objectives of TUAAN

Vision: "Help to enhance the lifetime relationship of all alumni with Tribhuvan University and work together for the benefit of each other"

Mission: "Work for the welfare of alumni and the TU".

Goal: "Promote the welfare and effectiveness of TU through the optimum utilization of alumni resources for the sustainable development and empowerment of TU".

Objectives: Provide a forum for members of TU Alumni throughout the world to interact and sustain a sense of belongingness through mutually beneficial contacts and to provide avenues for drawing upon the knowledge and expertise of the alumni for furthering the TU as a Center of Excellence.

- It also aims to generate academic, physical, and financial resources to establish and promote the core principles of TUAAN.

Vision

Help to enhance the lifetime relationship of all alumni with Tribhuvan University and work together for the benefit of each other

Mission

Work for the welfare of alumni and the TU

Goal

Promote the welfare and effectiveness of TU through the optimum utilization of alumni resources for the sustainable development and empowerment of TU

Objectives

- Provide a forum for members of TU Alumni throughout the world to interact and sustain a sense of belongingness through mutually beneficial contacts and to provide avenues for drawing upon the knowledge and expertise of the alumni for furthering the TU as a Center of Excellence.
- Generate academic, physical, and financial resources to establish and promote the core principles of TUAAN.

Alumni contribution

1. Participating
2. Networking
3. Supporting

- Engaging – first of its kind, a brick that built a foundation for a good start!

- Building a foundation of Alumni HISTORY of TU, TU is the oldest University in Nepal, but very new to "Giving Culture"
- Everybody first asked, "What can I get from TUAAN"?
- But, YOU came here asking 'What can I give'?
- We are weak, and TU is degrading, because, we alumna are responsible. What have we given back to TU?
- We haven't taught the new students, and we haven't yet set examples of 'GIVING'. **But, today is the start!**

Why is it Important for Alumni to Give Back?

- An essential part of being an alumnus is finding ways to give back to the university.
- Many believe that it's giving donations to the school or responding to emails, but there is much more behind that.
- Those small acts of showing support for the community you have become a part of can be the beginning of a success story for new students.
- As an alumnus you know first-hand the education and valuable life lessons that can come out of the university and using that knowledge to shape current and future students is important to pass on – for your success, the students, and the university.
