Key Highlights & Guidelines:

- **Guest Lectures:** Scheduled twice a year (once before the Mid-Term in Mangsir and once before the Pre-Board in Falgun) to ensure students receive practitioner-led insights on substantive and procedural law subjects.
- **Assessments:** Built progressively from routine class tests (such as the 19th–23rd minor tests) to the 7-day Mid-Term exam starting Poush 13– 22, culminating in the Pre-Board exams starting **Chaitra 9**.
- **Vacation & Breaks:** Major festival breaks (Dashain/Tihar) and summer/winter breaks are integrated organically into gaps between exam preparation phases.
