

SN	Name of Researcher	Subject	Title
1	Achyut Gaire	Agronomy	New herbicide matrices for higher weed control efficiency .....in Chitwan, Nepal
2	Amar Bhochhibhoya	Dentistry	Microbial cross-contamination from dental laboratory during prosthodontic treatment
3	Amrita Devi Shrama	Nepali	गणतन्त्रोत्तर नेपाली निबन्धमा नारीविद्रोह
4	Anju Khapung	Medical/Dental	Oral health status of orphan children in childcare homes in kathmandu district
5	Bhim Kumar Thapa	Finance	Impact of fundamental factor on stock price in Nepal
6	Bhola Nath Dhakal	Geography	Assessment of soil erosion and its impact on agriculture by using geospatial technology and local perception
7	Bigyanraj Gyawali	ENT	Efficacy of a tailored tele-medicine model for otorhinolaryngology clinical practice in remote areas of Nepal: A pilot study from tertiary referral center
8	Bijayalaxmi Maharjan	Microbiology	Prevalence of aeromonas spp and its antibiotic resistant genes in aquaculture system
9	Bishnu Prasad Kandel	Agriculture	Characterization, diversity assessment and participatory selection of proso millet germplasm accession in Lamjung
10	Buddhi Prasad Sapkota	Mathmatics	Mathmatical analysis of indoor air pollution distribution in a room with and without using air purifiers
11	Damaruchandra Bhatta	English	The significance of goddess Shaileshwari: A feminist analysis
12	Damber Bahadur Khatri	Nursing	Psychosocial problems and its associated factors among adolescents in selected public school, Bardia
13	Dasu Ram Paudel	Chemistry	Biomass-derived graphitized N-doped carbon integrated metal NPs electrocatalyst for green hydrogen production via water splitting
14	Deepa Niroula	Oral Med. & Radiology	Evaluation of communication skills among dental undergraduates using calgary-cambridge patient interview model
15	Dinesh Mani Ghimire	Management	Developing a framework to facilitate a culture for quality management .....TU, Nepal
16	Ganesh Kumar Bastola	English Education	Impact of internal assessment on student learning outcomes in semester system: A narrative inquiry
17	Gaurav Bhattarqi	International Relation and Diplomacy	Rickshawala and his rickshaw: A sustainable connectivity linking Nepal- India boarder
18	Guru Prasad Pokharel	Nepali	कृष्णप्रसाद सर्वहाराका कथामा वर्गीय प्रतिनिधित्व
19	Gyandarsan Bhattarai	Law	Advancing legal education at Tribhuvan University: Pedagogical perspectives
20	Hari Paudyal	Chemistry	Synthesis and characterizations of biosorbent derived from duck egg shell for the treatment of arsenic polluted water

21	Janak Ratna Malla	Physics	Study of variability of moon-earth interface .....Nagarkot using Astrophotography
22	Janma Jaya Gairhe	Soil Science	Soil organic carbon and nitrogen dynamics in carbon enriched soil fertility experiment at Paklihawa, Rupandehi, Nepal
23	Jeetendra Chaudhary	Electrical Engineering	Voltage control by inverters for improving the solar PV penetration in low voltage power networks of Balaju Grid substion with large share of EV charging stations
24	Jeevan Kafle	Mathmatics	Impact of variation of different initial and boundary conditions of material and geometrical parameters in the dynamics of landslide-generated tsunami
25	Kabita Shrestha	International Law	Social security for wemen
26	Kendra Prakesh Khatri	Rural Development	Decision making position of elected wemen in local bodies: A case study of Ilam Muncicipality
27	Kirtika Gautam	Microbiology	Bacterial isolates of UTI and their antimicrobial susceptibility patterns among pediatric patients in pediatric hospitals in Kathmandu
28	Kishor Sapkota	Law	Addressing challenges of prosecuting organised crime in Nepal
29	Kripa Dongol	ENT	Intratemporal anatomical study of facial nerve in cadaveric bone in Nepal
30	Krishna Bahadur Thapa	Management	Microeconomic developments of the stock market in Nepal
31	Krishna Maya Devkota	Science Education	Factors influencing the students enrolment rate at higher education in Nepal
32	Krishna Prasad Chalise	Linguistics	Intelligibility analysis of Nepali-English vowels based on the acoustic and durational properties
33	Lekhnath Sharma Pathak	Languistics	First language attrition and reacquisition: A case study
34	Madan Pokhrel	Civil Engineering	Snowcover and temperature change dynamics of central mountain range in Nepal
35	Mahendra Kumar Budhathoki	English	Reconceptualising the research challenges and academic writing difficulties of PhD scholars in Tribhuvan University
36	Mahesh Prasad Sah	Aayurved	Practice of shirodhara in MANAS roga w.s.r. to anxiety: A crosssectional survey study
37	Mana Bahadur Sunuwar	Population studies	Utilization of remetances in rural area of Nepal: A study of Angdim-1 Chhather village Municipality
38	Muktiram Poudel	Agriculture	Stability and evaluation of Nepalese wheat genotypes under irrigated, heat stress and drought conditions in Terai region of Nepal
39	Nand Kishor Kumar	Mathmatics	Matrix and its real life applications

40	Pawan Chhetri	Civil Engineering	Validation of seismic source model for Nepal
41	Prem Bahadur Chalaune	Sociology	Fault lines that lead disaster: Aftermath of Nepal earthquakes 2015 and 2023
42	Rajendra Kumar Pokhrel	Economics Education	An analysis of cost of electric cooking in Nepal
43	Rajendra Prasad Baral	English	Repositioning english major pedagogy under literary humanities at Bachelor levels: Outcome-based approach
44	Rishiram Khanal	Nepali	संरचनाका आधारमा गोर्खा जिल्लाका लोकदोहोरी गीतको अध्ययन
45	Romina Shrestha	Child Health Nursing	Attitude towards people with mental illness.....Nursing students, Pokhara
46	Rudra Bahadur Charmakar	English	Reflection of social stigma in arts culture and literature: A cultural study of Badi community
47	Sabin Karki	Agriculture	Perspective of subsidy in agriculture service delivery at Lamjung district
48	Sabita Kandel	Clinical Physiology	Effect of sleep on cardiorespiratory fitness of apparently healthy medical students
49	Saraswoti Kumari Gautam	Nursing	Determinants and level of knowledge and attitude on breastfeeding ....center of Kathmandu
50	Saraswoti Nai	History Education	Psychosocial Problems and Its associated factors among adolescents in selected public schools, Bardia
51	Saroj Kumar Giri	Law	Delegated legislation: Opportunities and challenges in Nepal
52	Saroj Kumar Timalina	Political Science	Nepal-China relations (2006-2023 AD): Micro-management perspectives
53	Saurav Gautam	Geomatics	Groundwater potential zone identification using bi-variate and multi-variate GIS enable statistical model and machine learning model in Bardia district, Nepal
54	Sharmila Pokharel	Health Education	Sexual health literacy: Perceptions of female students at masters level
55	Shreekrishna Kharel	Management	Human resource management practices and employee engagement in Nepalese commercial Banks
56	Sirjana Dahal	Community Dentistry	Relationship between dermatoglyphic pattern and dental caries among pre-school of Kathmandu, Nepal
57	Subina Gautam	Anatomy	Impact of cadaveric dissection on medical students after their first exposure to the cadaver: A cross-sectional study
58	Sumanta Ghimire	Sociology	Caste hierarchy and relationship among hill originated caste groups: A sociological study of Kapan village
59	Tara Prasad Awasthi	Geography Education	Sociocultural impact of pilgrimage tourism in Pasupatinath
60	Tulza KC	Adult health Nursing	Knowledge, attitude and practice regarding diabetes diet among patients with type 2 diabetes Mellitus attending tertiary level hospital: A cross-sectional study

61	Utshav Pandey	Animal Science	Substitution of soybean meal by mustard meal in performance of Japanese quail
62	Vijaya Aryal	Population studies	Changes in fertility intentions during COVID19 pandemic: A retrospective study
63	Yagya Prasad Guragain	Nepali	उत्तरवर्ती लघुकथामा सारवस्तु
