A heartfelt note for the 107th Annual Day of Tri-Chandra Multiple Campus

Esteemed Faculties, Students, and dear Friends,

On this momentous occasion of the 107th Annual Day of Tri-Chandra Multiple Campus, we extend our warmest congratulations and best wishes to all who have been a part of this incredible journey.

Founded on August 18, 1918, Tri-Chandra Multiple Campus holds the esteemed title of being the birthplace of higher education in Nepal. Over the years, it has evolved from offering foundational courses like IA and I. Sc. to now providing a wide range of undergraduate and postgraduate programs, including BA, B.Sc, M.A. and M.Sc, in various disciplines. As the first academic institution in the country, Tri-Chandra has been instrumental in shaping the intellectual landscape of Nepal, contributing to the establishment of Tribhuvan University and producing many of the nation's most prominent leaders, diplomats, scientists, artists, and scholars.

Located at the heart of Kathmandu, the campus continues to be a central hub of learning, fostering generations of students who go on to make significant contributions to society. As we celebrate 107 years of its legacy, we acknowledge its enduring impact on education and express our commitment to preserving and enhancing its historic structures, especially in the aftermath of the 2015 earthquake.

As we look to the future, I sincerely hope to receive the unwavering support of all stakeholders, government bodies, the Ministry of Education, public, faculties, students, and all associated unions in our collective effort to continue this journey of excellence, preserve and maintain Tri-Chandra's esteemed position in Nepal's academic sphere.

Let us all unite for this noble endeavor and go forward with renewed determination, knowing that the legacy of Tri-Chandra rests in our hands. May this institution continue to inspire, educate, and lead, like it has been doing for over a century.

With our deepest regards and best wishes for a successful and memorable celebration.
