

S. N.	Name of Researcher	Subject/s	Title	Institution
1	Abtar Subedi, Ph.D.	Mathematics Education	Complexities of post graduate students in learning abstract algebra concepts	Central Department of Education
2	Agni KC	Education English	University level Teachers for perspectives on Clil Administration	Surkhet Multiple Campus
3	Ajanta Manarjan Singh	Nursing Paediatrics	Knowledge, attitude and practice regarding overweight and obesity among secondary level students in lalitpur	Maharajgunj Nursing Campus
4	Ajay Kumar Chaudhary, Ph.D.	Mathematics	Common fixed point theorem in non-linear analysis	Tri-Chandra Multiple Campus
5	Ambika Sapkota(Balbase)	Education Nepali	आधारभूत तहमा महिला शिक्षकहरुको सहभागिता	Sanothimi Campus
6	Ankur Paudel, Ph.D.	Agriculture(Plant Breeding)	Characterization, Assessment of Rice landraces to Reproductive drought tollerances	Lamjung Campus
7	Arjun Acharya, Ph.D.	Animal Science	Effects of post-hatch feeding intervals and early nutritional interventions on gut histopathology and growth performance in Cobb-500 Broilers	Lamjung Campus
8	Baikuntha Pandey	Economics	The role of social media in Promoting transparency and Accountability: A case study of Kathmandu District, Nepal	Patan Multiple Campus
9	Bal Ram Chapagain, Ph.D.	Business administration	Environmental,social and governance (ESG)practices and sustainable performance in nepalese banks; mediating roles of innovation capability and SDGs orientation	Central department of management
10	Basudeb Khanal	Education(Economics)	Difficulties of economics Learning at Secondary Leve: Student Perspective	Mahendra Ratna Campus
11	Belpatra Nath Yogi, Ph.D.	Education Health	Nutritional and bio-bioecological factors associated with motor skill development of pre school children in birendranagar municipality of Nepal	Surkhet Multiple Campus
12	Bharat Singh Thapa, Ph.D.	Business studies	Microfinance for climate resilience;stakeholders'perspectives	Central department of management
13	Bharosh Kumar Yadav	Mechanical Engineering	Electric Vehicle Charging Stations In Nepal: Towards Sustainable Transportation	Purwanchal Campus
14	Bhawani Prasad Mainali	Education (ADM and Supervision)	Himan Resouces Development practices and Teacher engagement in Community Schools in Kathmandu metropolitan City	Mahendra Ratna Campus
15	Bidur Nepal	Statistics	Tree growth Analysis by Dendrochronology in Shivpuri Nagarjun National Park	Patan Multiple Campus

16	Bijaya Prasad Mishra, Ph.D.	Law	Exploring the application of major non formal legal systems practiced by ethnic communities in Nepal; a focus on dispute resolution mechanisms	Nepal Law Campus
17	Bikesh Thapa	Agriculture	Livelihood resilience and its impact on livelihood strategies of pastoralist to contemporary stresses in Nepal	Institute of agriculture and animal science
18	Bimala Neupane	Public Health	Health Related quality of Life of patient with coronary artery Disease underwent percutaneous coronary intervention at Tertiary Level Hospital	Manmohan Cardiothoracic Vascular and Transplant Center
19	Binod Sah, Ph.D.	Business Studies	Effect of remittance productivity on the Nepalese Economy and its Growth	Central Department of Management
20	Bishnu Hari Subedi, Ph.D.	Mathematics	Dynamics of the composition of holomorphic function	Central department of mathematics
21	Bishnu Kumar Dahal	Education Science	Advancing innovation through the integration of science driven content in the local curriculum	Mahendra Ratna Campus
22	Bishnu Sharma	Education (curriculum and evaluation)	Policy-practice gap; analysis of internal assessment practices at the basic level in Kathmandu	Central department of education
23	Brahmdeo Yadav	Chemistry	Long Term Health Effects of pollutants Generated from plastic combustion on Human Populations and Environment.	Surya Narayan Satyanarayan Morbaita Yadav Campus
24	Chandraman Shrestha	Nepali	समकालीन नेपाली उपन्यासमा विश्वदृष्टि	Tri-Chandra Multiple Campus
25	Dambar Bahadur Pun	Nepali	अध्ययन परम्परामा मगर लोक बार्ता	Mahendra Multiple campus Neplagunj
26	Dasuram Paudel, Ph.D.	Chemistry	Prospective of sustainable green hydrogen production using SnS ₂ / based nanomaterials.	Trichandra Multiple Campus
27	Dawa Sherpa, Ph.D.	Education (Nepali)	काठमाडौं महानगरपालिकाका समुदायिक विद्यालयमा नेपाल भाषा शिक्षण को प्रभावकारीताको अध्ययन	Mahendra Ratna Campus Tahachal
28	Daya Nidhi Chhatkuli, Ph.D.	Physics	Understanding structural parameter of interacting dwarf galaxies	Tri-Chandra Multiple Campus
29	Deepa Niroula	Dental	Visualization of incisive foramen in intraoral periapical radiographs-a comparative radiographic study	Maharajgunj Medical Campus
30	Dilu Ram Parajuli	Education Science	Learners engagement through artificial Intelligence (AI) in Science Learning: A possibility of future pedagogy	Central Dept of Education

31	Dipak Bahadur Adhikari, Ph.D.	Economics	Good governance in local level and its effects on socio-economic outcome	Central Department of Economics
32	Dipak Prasad Gautam	Nepali	मुल्मी जिल्लामा प्रचलित लोकगीतको समाजशास्त्र	Patan Multiple Campus
33	Dipendra Rana	Agriculture (Plant Pathology)	Management of Purple blotch of Onion caused by <i>Alternaria porri</i> in Lamjung, Nepal	Rampur Campus
34	Ganesh Bahadur Basnet	Mathematics	Integration of hypergeometric supertrigonometric functions via hypergeometric function; methods and application	Tri-Chandra Multiple Campus
35	Ganesh Bhattarai, Ph.D.	Business Studies	Impact of perceived organisational politics on University educators performance and Career Progression: Role of Personal mresources	Nepal Comerce Campus
36	Ganesh Prasad Khanal	Education (Administrati on and supervision)	Job satisfaction of teachers at tribhuvan university	Central department of education
37	Ganga Panta	Nursing (women health and development)	Behavioural risk factors among the school level adolescents studing in the schools of nagargun municipality, kathmandu	Maharajgunj Nursing Campus
38	Ganga Ram D.C.	Mathemathics	Epidemiological insights through mathemathial modeling og dengue in nepal	Central department of mathematics
39	Ganpat Choudhary	Aayurveda Human anotomy	Screening for diabets and hypertension among teachers and staffs of university campus of tribhuvan university	Ayurveda campus, kirtipur
40	Gauri Shankar Shrestha, Ph.D.	Optometry	Parrental anxiety and its associated factors in relation to children Nyopia: A Cross-sectional study	Maharajgunj Medical Campus
41	Gayetri Darshandhari (Kapali)	Nursing in women health and development	Pregnant women awareness and self-care practice on urinary tract infection in a tertiary centre; a crossectional study	Maharajgunj nursing campus
42	Gnanshyam Thakur, Ph.D.	Physics	Structural and drug behavior of didanosine ; insight from DFT and molecular docking approach	Central department of physics
43	Gokarna Prasad Gyawali, Ph.D.	Anthropology	Culture and Economy of Death: An anthropological Study of the pashupati area of Kathmandu Valley.	Patan Multiple Campus
44	Govinda prasad Luitel, Ph.D.	Nepali	प्रेमा शाहाका कथामा समाख्यान बिधि	Tri-Chandra Multiple Campus
45	Hari Maya Sharma	Education English	Relevance of ELT Curricula in Higher educationto Nepal's Evolving Job Market	Central Department of Education

46	Hom Nath Pathak, Ph.D.	Botany	Distribution and socio-economic impacts of invasive alien plant species panchase protected forest area, central Nepal	Prithbi Narayan Campus
47	Hukum Thapa, Ph.D.	English	Transforming children's writing in Nepal; strategies for promoting creativity and cultural heritage in multilingual classrooms	Ratna Rajya Laxmi Campus
48	Indresh Thakur	Maithili	Language shift among maithili speakers in kathmandu valley: analyzing generational differences in language use and fluency	CERID
49	Jamun Bhattarai	Nursing Community Health	Awarness and practices of healthy aging among senior citizen in Community	Maharajgunj Nursing Campus
50	Janak Ratna Malla, Ph. D.	Physics	Study of variability of Moon-Warth Interface from national observatory, Nagarkot using Astrophotography	Amrit Science Campus
51	Jasana Maharjan	Chemistry	Removal of heavy metals from water using SDS modified orange peels and its antibacterial activity	Padma Kanya Multiple Campus
52	Jeevan Mani Poudel, Ph.D.	Anthropology	Navigating government policy and practices for understanding current human-elephant conflict innJhapa District: A case Study	Central Dept of Anthropology
53	Kamal Sharma, Ph.D.	English	Expanding Horizons: Exploring the undercurrent of Social justice in Childrens Literature	Ratna Rajya Laxmi Campus
54	Kamala Dhakal, Ph.D.	Nursing (Women Health Development)	Assessment of supportive care needs among cancer patients in Tertiary level hospital.	Birgunj Nursing Campus
55	Kamala Gharti	Nursing Paediatrics	Social phobia and associated factor among adolescent in selected higher secondary schools of Pokhara	Pokhara Nursing Campus
56	Kamala Saki	Nursing in Psychiatric	Patients' satisfaction with emergency care services in a university teaching hospital in nepal	Teaching hospital, maharajgunj
57	Kedar Nath Chhatkuli	Mathematics	A mathematical modelling of two-layered blood flow through artery with bell-shaped stenosis	Amrit Science Campus
58	Keshab Bhusal, Ph.D.	Education (Nepali)	पिडा आरोहण नाटक मा वाक्क्रिया	Central Dept of Education
59	Keshar Bahadur Khatri	Agriculture (Soil Science)	Effects of Different Levels of pottassium and humic Acid on growth and yield of marigold and siol properties.	Lamjung Campus

60	Khagendra Adhikari, Ph.D.	Mathematics	Dynamics of rumor propagation in Nepales Society: Mathematical Approach for effective control Strategies	Amrit Science Campus
61	Krishna Aryal	Agriculture (Soil Science)	Nutrient loaded Biochar: Optimising Nitrogen Use efficiency of productivity of Maize in Chitwan, Nepal	Rampur Campus
62	Krishna Chandra Paudel	Education Mathematics	Mathematics teaching anxiety and self-efficacy beliefs towards mathematics teaching of primary school teachers	Mahendra Ratna Campus
63	Kul Bahadur Khadka	English	Advocacy for integrity and identity in selected texts; indigenous vision (selected text- rajan mukarung' novel damini cliff and upendra subba's story anthology the dumb mountain)	Saraswati Multiple Campus
64	Laibabu Sah Telee	Statistics	Academic performance of MBM students of tribhuvan university of NEPAL	Nepal Commerce Campus
65	Lok Bahadur Baral, Ph.D.	Physics	Development of practically viable CASWAT-G surface ropeway and its practical use for the social benefit	Amrit campus, Lainchaur
66	Mahesh Prasah Sah, MD	Aayurveda Kayachikitsa Panchakarma	Efficacy of Shirodhara in Manas Roga (Anxiety Disorder): A cross sectional Study	Ayurveda Campus
67	Man Maya Pokharel	Nepali	समकालिन प्रगतिवादी नेपाली उपन्यासमा वर्गियता	Padma Kanya Multiple Campus
68	Manoj Kumar Guragai	Electronics and Computer Engineering	Application of Machine Learning for Signal Processing and Analysis of noise pollution patterns in Dharan Nepal	Purwanchal Campus Dharan
69	Minesh Kumar Ghimire	Sociology	The impact on development-induced compensation of People: A Research Proposal	Patan Multiple Campus
70	Mira Adhikari	Nursing in Adult Health	Lived experiences of older adults with empty nests in kaski nepal; a phenomenological	Pokhara Nursing Campus
71	Nabin Karki, Ph.D.	Chemistry	Corrosion Inhibition efficacy of alkaloids separated from Methanolic Extract of <i>Lantana camara</i> Stem as Green Inhibiter for mild steel in acidic Medium.	Bhaktpur Multiple Campus
72	Narayan Prasad Pantha	Education (Nepali)	पाठ्यक्रम अनुरूपता र स्तरीयताका आधारमा कक्षा एघार तथा बाह्रका वर्तमान नेपाली पाठ्यपुस्तक	Butwal Multiple campus

73	Narendra Bahadur Singh	Agriculture (entomology)	Study on the effectiveness of insecticides against redpumpkin beetle (<i>aulacophora foveicollis</i> Lucas) infesting cucumber in lamjung, Nepal	Lamjung Campus
74	Narendra Kumar Singh, Ph.D.	Chemistry	synthesis, characterization and anticancer activity of N(4)-2,6- dimethyl morpholinyl-1-methyl piperazinyl isatin/5-chloroisatin thiosemicabrazones, and their copper(II) complexes	Amrit Science Campus
75	Nirmal Bhusal, Ph.D.	Aayurveda Panchakarma	Hemodynamic, hematological and biochemical changes induced by panchakarma-sarvanga swedana (full body sudation)	Ayurveda Campus
76	Nisha Bhandari	Nursing (Adult)	Self-care behaviours and its associated factors among patients with hypertension	Maharajgunj Nursing Campus
77	Om Prakash Acharya, Ph.D.	Education Nepali	नेपाली भाषाको शिक्षण सिकाइमा स्थानिय भाषा को प्रभाव	Jumla Multiple Campuses
78	Pit Bahadur Nepali, Ph.D.	Zoology	Assessment of human- snake conflict mitigation and their conservation in palpa, nepal	Tribhuvan m. campus, palpa
79	Pradip Sharma	English	Safe Abortion: bipolaritics of embroyos in nepal	Ratna Rajya Laxmi Campus
80	Prakash Chandra Khatri	Education Nepali	जुम्ली (खस) भाषी विद्यार्थीको सामाजीकरण र सिकाइ	Jumla Multiple Campus
81	Prakash Rai	English	Indigenious discourse: Constructing Kirant Rai and Limbu Identity through food Culture	Bhojpur Multiple Campus
82	Pramshu Nepal, Ph.D.	Economics	Analyzing resource mobilization constraints of local budies in rupandehi district of nepal	Central department of economics
83	Prem Bahadur Chalaune	Sociology	political economic of disaster; after math of nepal earthquake 2015	Central department of sociology
84	Prem Prasad Chaulagain	Nepali	कर्णाली प्रदेशका प्राचीन अभिलेखमा प्रयुक्त भाषा र संस्कृती	Tri-Chandra Multiple Campus
85	Pushkar Singh Raikhola, Ph.D.	Education (Health and physical)	A study on health seeking behavior of geriatric population in kirtipur, kathmandu; a community based cross- sectional study	Monitoring directorate, Kirtipur
86	Pushpa Nidhi Gautam	Mathematics	Hemodinamics in a stenotic arteroy with timely varying curvature	Patan Multiple Campus
87	Pusparaj Rai	Sociology	Parents' perception and experiences of children studying abroad; a study of mahalaxmi municipality, lalitpur	Patan multiple campus
88	Radha Baral, Ph.D.	Dental surgery	Prevalence of dental anomalies in patens visiting tertiary care and cure hospital	Maharajgunj Medical Campus

89	Raj Kumar Gurung, Ph.D.	English	A study of Childrens Writing proficiency in Nepal: A critical Analysis and recommendation	Ratna Rajya Laxmi campus
90	Rajan Kumar Kandel	Education English	Integrating ICT to enhance Unversity Class room Dynamics in Neal: A participatory action research in english Language Teaching.	Surkhet Multiple Campus
91	Rajendra Kumar Pokhrel, Ph.D.	Economics	Socio-Economic analysis of cost of electric cooking in Nepal	Office of the controller of examination
92	Ram Prasad Rai	English	Nostalgia and lost in the british gurkhas' war narratives in the backdrop of global wars	Ratna Rajya Laxmi Campus
93	Ramesh Parajuli, Ph.D.	Law (criminal law and justice)	Medical negligence in kathmandu valley;laws and sitution	Nepal law campus
94	Rashmi Gachhadar	Nursing	perception towards cervical cancer and readiness of HPV Vaccination among reproductive age-group women in Selected Municipalities of Kathmandu Valley.	Maharajgunj Nursing Campus
95	Ratna Prasad Pandey	Education Mathematics	Exploring the use of information and communication Technology in Mathematics Class Room: A study of Karnali Province	Surkhet Multiple Campus
96	Ravi Kumar Shrestha	English	Navigating cultural boederlands:Impact on identity formaton and cultural hybridity in Americanah and the joy luck club	Patan Multiple Campus
97	Rishi Ram Subedi	Education Science	Learning science through integrating the arts;the narrative methodology and their educational possibility	Central department of education
98	Rudra Bahadur Charmakar, Ph.D.	English	Depication of social stagma and sexuality in arts and culture of badi community;a cultural study in lumbini province	Patan Multiple Campus
99	Sakuntala Pageni	Education(Planning and Management)	Parental perspective on play-based Learning in Early Childhood Development(ECD) Centers.	Prithvi Narayan Campus
100	Samiksha Subedee	Nursing (adult nursing)	Factors associated with overweight anong adolescents in a municipality in kathmandu,nepal;a cross-sectional study	Maharajgunj Nursing Campus
101	Sanjay Prasad Gupta	Dental Surgery	Effect of orthodontic treatment on quality of life of adult patients in tertiary care hospital of nepal	Maharajgunj Medical Campus
102	Sanju Shrestha, Ph. D.	Physics	Optimization of electronics and optical devices;using silvaco simulator	Central department of physics
103	Santosh Ghimire, Ph.D.	Mathematics	Law of the iterated logarithm with application	Pulchowk campus

104	Santosh Giri	Computer Engineering	Designing an effective deep Learning Model for analysis and prediction of concentration of air pollutants for kathmandu valley	Pulchok Campus
105	Santosh Khanal	Agriculture (Agriculture extension)	Evaluation of participation in Agricultural Extension Programs and Their Role in Decision making in Gauradaha Municipality, Jhapa, Nepal	Gauradah Agriculture Campus
106	Sanu Krishna Maharjan	Agriculture (Horticulture)	Efficacy of different organic coatings on the quality and shelf life of mandarin orange (<i>Citrus Reticulata</i> Blanco)	Lamjung Campus
107	Saraswoti P.C.Chhetri	Nursing (women health and development)	Prevalence of gender based violence among women attending OCMC at tertiary level hospital of banke	Nepalgunj nursing campus
108	Saroj Kumar Timalina, Ph.D.	Political Science	Nepal-China relations (2006-2023 AD): Micro-management perspectives	Bhaktapur Multiple Campus
109	Saroj Raj Pant	Sociology	Development Deficit: Destruction of Traditional Chautari in Baglung Municipality, Nepal.	Dhawalagiri multiple campus
110	Shailendra Kumar Yadav	Forestry (Biodiversity and environmental management)	Social consequences of tiger conservation in bardiya national park, nepal	Hetauda campus hetauda
111	Sharada Sharma	Nursing Paediatrics	Beating Anemia: Prevalence and Adherence to Weekly Iron-Folic Acid Supplementation among Adolescent	Pokhara Nursing Campus
112	Shashit Kumar Yadav, Ph.D.	Physics	First Principles study of elastic, thermal and electronic Properties of Rare Earth-Doped Sn-Cu Lead-free Solder alloys	MMAM, Campus, Biratnagar,
113	Shiv Kumar Sah	Pharmacy (Clinical)	Human papillomavirus vaccination uptake and its associated factors among female adolescents in Kathmandu district	Maharajgunj Medical Campus
114	Shiv Nandan Sah	Microbiology	Characterization and application of natural pigment extracted from actinomycetes isolated from soils of eastern mountain region of nepal	Central campus of technology, dharan
115	Shiva Raj Pant	English	Right Eating: Food and Commensality among young Adult Newars in Kirtipur	Central Department of English
116	Shree Prasad Ghimire	Education Mathematics	Use of Artificial intelligence (AI) In personalized guidance on project-based learning in Mathematics: Enhancing logical thinking and engagement	Mahendra Ratna Campus, Tahachal

117	Shreedhar Neupane, Ph.D.	Nepali	उपसंहार अर्थात् ज्योति अन्त्य र असितत्वबोध Research Director's Office T.U. Kirtipur, Nepal	Prithvi Narayan Campus
118	Shreekrishna Kharel, Ph.D.	Business Administration	Human resource management practices and employee engagement in nepalese commercial bank	Office of dean, management faculty
119	Sitaram Ghimire	History	Politial inclusion in party dynamics;a study of political parties in ilam district,Nepal	Mahendra Ratna Campus, ilam
120	Subodh Khanal	Agriculture	Effect of Natural Farming fertilizers on performance Okra(Abelmoschus esculentus L.) at Gauradaha Jhapa	Gauradah Krishi Campus
121	Subodh Kumar Yadav	Physics	Study of current-voltage in long josephson junction based on three-gap superconductors	Patan Multiple Campus
122	Suman Kharel, Ph.D.	Rural Development	Climate resilient livelihoods in the rapti river basin,Nepal;an assessment of existing adoption strategies and opportunities for enhancement	Centra department of rural developmet
123	Suman Kumar Shrestha	Education Geography	Climate change and human adaptation strategy of farmers,changunarayan municipality,Bhakatapur	Sanothimi Campus
124	Suman Panthee	Geology	Elastic strength anisotropic behaviour in follated rocks	Central department of geology
125	Sunita Acharya	Nursing (Adult)	Assessment of nutritional status of elderly in a municipality Nepalgunj	Nepalgunj Nursing Campus
126	Surendra Ghimire, Ph.D.	Education (Curriculum and Evaluation)	Evaluating the need assessment process for school-level curriculum development in Nepal	Birendra Multiple Campus
127	Surya Prasad Adhikari	Education Planing and Mngement	Leadership Development Practices of Female Head Teachers: Exploring best Practices.	Central Department of Education
128	Tilarupa Bhattarai	Nursing	Effect of emotional literacy intervention on emotional intlligence of student	Maharajgunj Nursing Campus
129	Umesh Neupane, Ph.D.	Chemistry	Chemical Characterization and water Quality Assessment of Tinau River Basin, Lumbini Province, Nepal	Butwal Multiple campus
130	Usha Joshi, Ph.D.	Physics	Affecting factors of Solar Radiation at MID-HILL Regions: Dadeldhura and Taplejung of Nepal	Patan Multiple Campus
131	Usha Kiran Paudel	Nursing (Women Health Development)	Satisfaction of Nurse-led breast cancer screening program in a selected Municipality of Kathamndu	Maharajgunj Nursing Campus
