

S. N.	Name of Researcher	Institution	Subject	Title
1	Abatar Subedi, Ph.D.	Central Department of Education	Education Mathematics	Complexities of post graduate students in learning abstract algebra concepts
2	Belpatra Nath Yogi, Ph.D.	Surkhet Multiple Campus	Education (Health)	Nutritional and bio-bioecological factors associated with motor skill development of pre school children in Birendranagar municipality of Nepal
3	Bharosh Kumar Yadav	Purwanchal Campus	Mechanical Engineering	Electric Vehicle Charging Stations In Nepal: Towards Sustainable Transportation
4	Bishnu Hari Subedi, Ph.D.	Central Department of	Mathematics	Dynamics of the composition of holomorphic function
5	Bishnu Sharma Gyawali	Central Department of Education	Education (Curriculum and Evaluation)	Policy-practice gap; Analysis of internal assessment practices at the basic level in kathmandu
6	Daya Nidhi Chhatkuli, Ph.D.	Tri-Chandra Multiple Campus	Physics	Understanding structural parameter of interacting dwarf galaxies
7	Deepa Niroula	Maharajgunj Medical Campus	Dental	Visualization of incisive foramen in intraoral periapical radiographs-a comparative radiographic study
8	Ganga Panta	Maharajgunj Nursing Campus	Nursing	Behavioural risk factors among the school level adolescents studying in the schools of Nagargun municipality, Kathmandu
9	Ganga Ram D.C.	Central Department of	Mathematics	Epidemiological insights through mathematical modeling of dengue in nepal
10	Govinda Prasad Luitel, Ph.D.	Tri-Chandra Multiple Campus	Nepali	प्रेमा शाहाका कथामा समाख्यान बिधि
11	Hukum Thapa, Ph.D.	Ratna Rajya Laxmi Campus	English	Transforming children's writing in Nepal; Strategies for promoting creativity and cultural heritage in multilingual classrooms
12	Keshar Bahadur Khatri	Lamjung Campus	Agriculture	Effects of Different Levels of potassium and humic Acid on growth and yield of marigold and soil properties.
13	Krishna Aryal	Rampur Campus	Agriculture	Nutrient loaded Biochar: Optimising Nitrogen use efficiency of productivity of Maize in Chitwan, Nepal
14	Kul Bahadur Khadka	Saraswati Multiple Campus	English	Advocacy for integrity and identity in selected texts; Indigenous vision (selected text- rajan mukarung'novel damini cliff and upendra subba's story anthology the dumb mountain)
15	Manoj Kumar Guragai	Purwanchal Campus	Electronics and Computer Engineering	Application of Machine Learning for Signal Processing and Analysis of noise pollution patterns in Dharan Nepal
16	Nabin Karki, Ph.D.	Bhaktpur Multiple Campus	Chemistry	Corrosion Inhibition efficacy of alkaloids separated from Methanolic Extract of <i>Lantana camara</i> Stem as Green Inhibitor for mild steel in acidic Medium.

17	Narayan Prasad Pantha	Butwal Multiple Campus	Education (Nepali)	पाठ्यक्रम अनुरूपता र स्तरीयताका आधारमा कक्षा एघार तथा बाहका वर्तमान नेपाली पाठ्यपुस्तक
18	Narendra Kumar Singh, Ph.D.	Amrit Science Campus	Chemistry	Synthesis, characterization and anticancer activity of N(4)-2,6- dimethyl morpholinyl-1-methyl piperazinyl isatin/5-chloroisatin thiosemicabrazones, and their copper(II) complexes
19	Nirmal Bhusal, Ph.D.	Ayurveda Campus	Aayurveda Panchakarma	Hemodynamic, hematological and biochemical changes induced by panchakarma-sarvanga swedana (full body sudation)
20	Prakash Rai	Bhojpur Multiple Campus	English	Indigenous discourse: Constructing Kirant Rai and Limbu Indentity through food Culture
21	Prem Bahadur Chalaune	Central Department of Sociology	Sociology	Political economics of disaster; after math of Nepal earthquake 2015
22	Rajendra Kumar Pokhrel, Ph.D.	Office of the Controller of Examination	Economics	Socio-Economic analysis of cost of electric cooking in Nepal
23	Rashmi Gachhadar	Maharajgunj Nursing Campus	Nursing	Perception towards cervical cancer and readiness of HPV Vaccination among reproductive age-group women in Selected Municipalities of Kathmandu Valley.
24	Rishi Ram Subedi	Central Department of Education	Education Science	Learning science through integrating the arts; the narrative methodology and their educational possibility
25	Shiv Nandan Sah	Central Campus of Technology	Microbiology	Characterization and application of natural pigment extracted from actinomycets isolated from soils of estern mountain region of nepal
26	Shreedhar Neupane, Ph.D.	Prithvi Narayan Campus	Nepali	उपसंहार अर्थात चौथो अन्त्य र अग्निदत्त + अग्निदत्त उपन्यासमा अस्तित्वबोध
27	Shreekrishna Kharel, Ph.D.	Office of the Dean, Management Faculty	Business Administration	Human resource management practices and employee engagement in Nepalese commercial bank
28	Suman Kharel, Ph.D.	Centra Department of Rural Developmet	Rural Development	Climate resilient livelihoods in the Rapti river basin, Nepal; A assessment of existing adoption strategies and opportunities for enhancement
29	Tilarupa Bhattarai	Maharajgunj Nursing Campus	Nursing	Effect of emotional literacy intervention on emotional intlligence of student
30	Usha Joshi, Ph.D.	Patan Multiple Campus	Physics	Affecting factors of Solar Radiation at MID-HILL Regions: Dadeldhura and Taplejung of Nepal
