Subject: Rescheduling of MSc Thesis Defense

All concerned faculty members and students are hereby informed that the MSc thesis defense originally scheduled for this week has been rescheduled to **27 Bhadra 2082**. This change has been made due to an insufficient number of theses received for final defense.

All faculty members, including supervisors as well as external and internal evaluators, are kindly requested to expedite the evaluation of theses submitted by their respective students.

Please note that **only theses received by 20 Bhadra 2082** will be considered for inclusion in the rescheduled defense.

Your cooperation in ensuring the timely completion of the evaluation process is greatly appreciated.

Sincerely,

Lila Puri, PhD

Member Secretary of the Research Committee
