Accredited by University Grants Commission, Nepal (2022)

Ref No.:

Date: 2082/07/18

## Notice

### Sub: Result of BSc Student research grant

The Research Committee, Institute of Forestry, Pokhara Campus, is pleased to announce that the authors of the following research proposals have been selected for research grant funding. The selected students are requested to contact the Research Committee office to complete the necessary formalities and sign the agreement to finalize the funding decision.

Please note that students who have already been selected for internships or have received funding from other sources have been excluded from the reward decision. Additionally, this award is conditional. If any awardee subsequently receives research funding from other sources or is selected for an internship, the grant may be revoked. In such cases, students from the waiting list will be considered for funding.
