ANNUAL REPORT

2082/2083

TRIBHUVAN UNIVERSITY, INSTITUTE OF MEDICINE

NEPALGUNJ NURSING CAMPUS

JAIL ROAD-10, BANKE

"IF EVERYONE IS MOVING FORWARD TOGETHER,
THEN SUCCESS TAKES CARE OF ITSELF"

ANNUAL REPORT

2082/2083

Tribhuvan University, Institute of Medicine

Nepalgunj Nursing Campus

Nepalgunj, Banke

ACKNOWLEDGMENTS

The preparation of this **Annual Report** has been accomplished through the collective efforts, guidance, and cooperation of many individuals and departments. The Annual Report Preparation Committee would like to extend its sincere appreciation to all those whose contributions have made this report possible.

We express our profound gratitude to **Ms. Sunita Acharya, Campus Chief of Nepalgunj Nursing Campus**, for her continuous encouragement, insightful guidance, and invaluable support throughout the preparation process. Her leadership and constructive suggestions have been instrumental in the successful completion of this report.

We also wish to extend our sincere thanks to all the **Heads of Departments, Coordinators, Faculty Members, and Staff** of *Nepalgunj Nursing Campus* for their active participation, timely cooperation, and assistance. Our heartfelt appreciation goes to the **Administration, Academic,** and **Account Sections** for providing essential information and for their prompt response to the requirements of the Annual Report Preparation Committee.

We are equally thankful to the members of various **Campus Committees** for supplying relevant data and materials essential for the compilation of this report. Likewise, we gratefully acknowledge the cooperation of the **students** for their valuable inputs and responses during the data collection process.

Finally, the Committee would like to express its deep appreciation to all individuals and institutions who, directly or indirectly, extended their support and contributed to the successful preparation of this **Annual Report.**

MESSAGE FROM CAMPUS CHIEF

It is with great pride and honor that I am addressing you as the Campus Chief of Nepalgunj Nursing Campus. As we embark on another year of learning and growth, I am reminded of the profound impact that nursing education has on both the individuals who pursue it and the communities they serve.

Our nursing campus is not just a place of academic instruction; it is a sanctuary for compassion, dedication, and excellence in health care. Every student who walks through our doors is not only trained to become a healthcare professional but is also molded into a compassionate caregiver, ready to make a positive difference in the lives of others.

Our faculty, staff, and administrators work tirelessly to ensure that every student receives the support, education, and clinical experience necessary to succeed in this noble field. We are committed to fostering an environment where students not only excel academically but also develop the empathy, critical thinking, and leadership skills essential to providing the best patient care.

As you continue your journey here, I encourage you to always remember the core values of nursing, compassion, integrity, and a commitment to lifelong learning. Together, we will build a future where healthcare is more than a profession; it is a powerful force for change, healing, and hope.

Thank you for being part of our community. I look forward to seeing the incredible contributions you will make to the world of nursing and healthcare.

Sunita Acharya
Campus Chief,
Nepalgunj Nursing Campus

EXECUTIVE SUMMARY

Tribhuvan University, Institute of Medicine, Nepalgunj Nursing Campus is a pioneer institution established in **2026 B.S.** in the heart of **Nepalgunj Submetropolitan City ward No.10, Banke. Lumbini Province**. It is one of the constituent campus under the **Institute of Medicine (IOM)**, Tribhuvan University. Over the past **56 years of academic excellence**, the campus has been committed to providing quality nursing education and has made a remarkable contribution to the development of the nursing profession in Nepal.

The campus currently runs various academic programs, including the **Bachelor in Nursing Science (BNS)** and **Bachelor of Science in Nursing (B.Sc. Nursing)** programs. Following the decision of Tribhuvan University to phase out the intermediate level, the campus discontinued the intake of students in the **Proficiency Certificate Level (PCL) Nursing Program** from **2020 A.D.**

All academic activities of the campus are guided by its clearly defined **mission** and **vision**. In addition to academic excellence, the campus places strong emphasis on **co-curricular** and **extracurricular** activities for the holistic development of students. The graduation trend analysis reveals consistent and commendable academic performance of students over the years, and the current year continues this legacy of success.

The quality of education and the steady student enrollment across various programs stand as indicators of the campus's success. The institution continues to update its educational approaches in response to global trends and market demands, particularly by incorporating **e-learning methodologies** and modern teaching strategies.

In terms of **physical infrastructure**, notable reforms and improvements have been undertaken in the **library**, **Research Management Cell (RMC)**, and **laboratories**. Furthermore, the **Education Management Information System (EMIS)** has been strengthened with the integration of various software tools to enhance the efficiency of both administrative and academic operations.

1. INTRODUCTION

1.1 Background

The school of nursing was first established in Kathmandu in 1956 under the directive of the health service, ministry of health. The first batch of this school had enrolled only 15 students. The expected proficiency of the produced manpower was illness oriented. Principally this was a hospital-oriented curriculum that was in effect between1956 to 1986. This curriculum aims to prepare nurses to be efficient in fulfilling the health needs of the people of Nepal. With the introduction of the new educational system in 1972, nursing education was brought under the Institute of Medicine, Tribhuvan University. After that, a major revised curriculum that was based on primary health care was introduced in 1987, which was again updated in 2008. The aim of this program was to prepare competent and self-reliant nurses who would be able to care for the individual, family and community. Nepalgunj Nursing campus is the only one constituent nursing campus of Tribhuvan University; Institute of medicine in Lumbini, Province. The campus is located in Nepalgunj sub-metropolitan city (SMPC), ward no - 10, in proximity with Bheri Hospital. The Ministry of Health established ANM training school in 1969 in Nepalgunj. The school over a period of 17 years produced 406 ANMs. In 1987, it was upgraded to Proficiency Certificate Level (PCL)nursing campus. Since then, it has produced1153 PCL. Seeing the need for middle level manpower in nursing, in 2011, 2 years Bachelor in Nursing (BN) programme was started which from 2013was revised to as3years Bachelor in Nursing Science (BNS). The four-year BSC nursing program was established in 2021 AD in this Campus, since then the total number of Bachelor graduated students is 217 and bsc nursing graduated is 5. Currently, 217 students are pursuing education at various levels.

1.2 Vision

To be a center of excellence in nursing education, research and service, producing competent, compassionate and globally competitive nursing professionals who contribute to improving health care and society.

1.3 Mission

To serve the people of Nepal by:

- Providing high-quality nursing education that integrates theory, practice, and research.
- Fostering leadership critical thinking and ethical values among nursing students.
- Promoting community health through outreach, service and collaboration.

- Building a nurturing environment for faculty, staff and students to excel.

1.4 Goal

The goal of the Nepalgunj Nursing Campus is to prepare and produce the qualified nurse to be a professional health care practitioner who provides compassionate care, which is based on scientific evidence and who serves as the link between the patient (individual, family, community, or population) and the healthcare environment across the lifespan.

1.5 Objectives

General objective

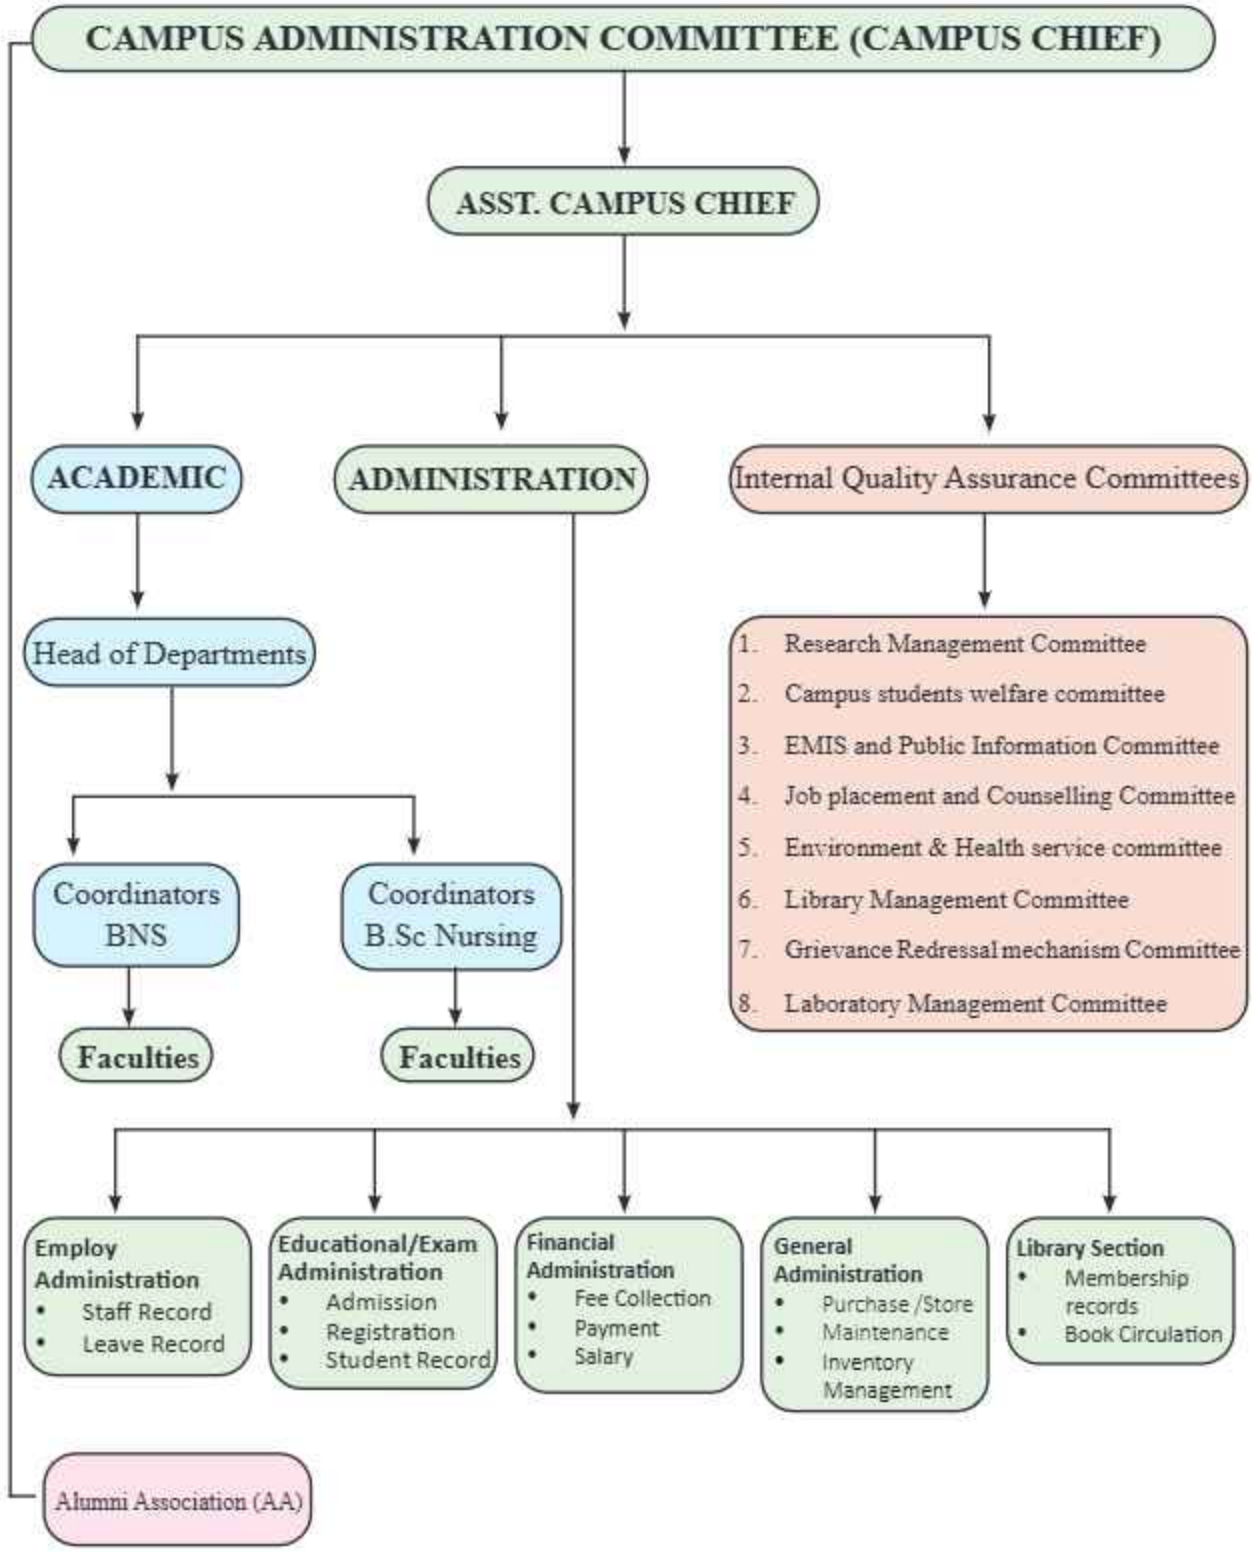

To provide standard nursing education to the eligible candidates (both females and males) of Nepal, especially from Lumbini, Karnali and Sudurpaschim provinces to meet the primary health care and holistic needs of people.

Specific Objectives

- Focus on those we serve, especially our students.
- Advance innovation and excellence in teaching to support student success.
- Promote excellence in research and creative endeavors.
- Produce nursing Human Resources at par with international standards.
- Develop self-reliant Nurses in the field of modern Nursing.

Securing the financial future through efficient building a strong

2. ORGANIZATIONAL STRUCTURE

3. AFFILIATION AND ACCREDITATION

Nepalgunj Nursing Campus is a constituent campus of TU, which is one of the oldest and largest university in Nepal. Nepal Nursing Council (NNC) is a statutory body for establishing uniform and high standards of nursing education of Nepal. However, as per the provision of National Medical Education Act 2075, recently Medical Education Commission has been established to develop medical education in line with the national needs and regulate medical education which also includes nursing education, in integrated and efficient way. Therefore, at present Medical Education Commission is the authorized regulatory body for providing accreditation to the Nursing program in Nepal. Nepalgunj Nursing Campus is also in the process of getting accreditation from Medical Education Commission of Nepal.

Similarly, University Grants Commission (UGC) has launched the Quality Assurance and Accreditation (QAA) program as an important aspect to reform higher education in Nepal. The system ensures that the campus meets the certain predetermined minimal criteria or standards, not only at institutional level but also in its academic programs to offer better results to the society. Understanding its importance, Nepalgunj Nursing Campus has initiated the process of getting QAA from UGC and at present the campus is working on QAA process with submission of self-study report (SSR). With response by UGC the first PRT team visited to campus in 20,21,22 Chaitra, 2081. The campus has also cross the final PRT visit from UGC on 2082 /12/23 to 2082/12/27 incorporated the feedback given by final PRT visit of UGC. It is hoped that the campus will achieve QAA certificate within the specified period of time.

4. ACADEMIC OFFICIALS

All the faculties of each department lean to serve the excellent academic quality with integrity, compassion, and intellectual bravery. The campus appreciates the contributions of all its faculty members in making the campus a top nursing higher educational institution in country. Most of the faculties in each department are according to their specialty subject; however, some of the faculties are being allocated in the department other than their specialty as per the need of the campus and their experience.

FULL-TIME TEACHING FACULTIES

5	Susmita Chapagai	Head Technical Assistant	Member	

7. PROGRAM AND COURSE OFFERED

The Nepalgunj Nursing Campus has been running academic programs ranging from the Proficiency Certificate Level (PCL) in Nursing to bachelor-level programs. The bachelor programs include the Bachelor of Nursing Science (BNS) and the Bachelor of Science in Nursing (B.Sc. Nursing). The Post Basic Bachelor of Nursing (PBBN) program was initiated in 2011 AD with a duration of two years. The curriculum was revised in 2013 AD, extending it to three years with core courses in the first and second years and major courses in the third year, and was renamed the Bachelor of Nursing Science (BNS) program. Likewise, in 2021

AD, the four-year Bachelor of Science in Nursing (B.Sc. Nursing) program was launched with an intake of five students in the first batch, followed by 30 students in the second, third, and fourth batches. Currently, 40 students are enrolled in the fifth batch. At present, the following courses are offered by the campus.

1. **Bachelor Level**

Bachelor of Nursing Science (3years course)

- BNS first year
- BNS second year
- BNS third Year

Major Subject (Elective options) in (BNS third year)

- Adult Health Nursing

Bachelor of Science in Nursing (4Years course)

- BSc Nursing first year
- BSc Nursing second year
- BSc. Nursing third year
- BSc. Nursing fourth

8. ACADEMIC PROGRESS

The details of academic progress based on enrollment, pass rate, graduation rate of Nepalgunj Nursing Campus are presented below.

ANNUAL YEAR										
Program	BNS					B.Sc. Nursing				
Year	079/80	079/80	080/81	081/082	082/083	079/80	079/80	080/81	081/82	082/83
Available seats	30	30	30	30	30	30	30	30	40	40
Enrolled students	29	28	24	26	30	30	30	30	40	40
Drop out	-	1	-	1	-	-	-	-	1	-

ENROLLMENT TREND ANALYSIS OF THE LAST THREE YEARS STUDENT ENROLLMENT TREND

The number of students enrolled in various programs differs by seat matching by medical education commission. BNS program, number of students in 2079/80 and 2080/81 enrollment reduced than the previous year. In 2081/82 the number of BNS students enrolled was 26 and in 2082/83 enrolled was 30 students.

Similarly, B.Sc. Nursing program which was started in the year 2078/79 with 5 numbers of students also shows increasing trend according to seat available that is 30 numbers of students in the years 2079/080, 2080/81, 40 in 2081/82 and in 2082/083 40 students was enrolled.

PASS RATE TREND ANALYSIS OF THE LAST THREE YEARS (ONLY REGULAR ARE MENTIONED)

The analysis of the pass rate trend over the last three years indicates that approximately half of the 10th batch students of the BNS program passed the first-year examination, while most of them successfully passed the second-year examination. Similarly, the majority of the 11th batch BNS students passed the second-year examination. The results of the 12th batch BNS students are still pending, and the 13th batch is currently pursuing the program.

The first batch of the B.Sc. Nursing program had a relatively unsatisfactory result, particularly in the first year; however, almost all students successfully passed the second-year examination. Likewise, about half of the second batch students of the B.Sc. Nursing program passed the second-year examination. The fourth batch of the B.Sc. Nursing program is currently in the first year of study.

Program	Enrollment Year	2079/80		2079/80		2080/81		2081/82		2082/83

10. PHYSICAL PROGRESS

10.1 RESOURCE CENTER (LIBRARY)

The library of Nepalgunj Nursing Campus is located within the campus premises and serves as a vital academic resource center for students and faculty members. It provides a conducive learning environment with a spacious, well-furnished reading room that supports both individual and group study. The library is equipped with high-speed internet facilities to facilitate access to online learning resources and research materials.

At present, the library houses a total of 9,045 textbooks, 300 reference books, 63 national journals, and 114 magazines. In addition to its print resources, the library has been steadily expanding its digital collection to enhance access to e-books, online journals, and other digital academic materials. Continuous efforts are being made to strengthen the library's infrastructure and digital services to meet the evolving academic and research needs of students and faculty members.

10.2 EDUCATIONAL AIDS

Nepalgunj Nursing Campus has been continuously updating its teaching-learning materials and pedagogical approaches in alignment with advancements in information technology and contemporary educational trends. The campus places high priority on integrating modern technologies to enhance the quality of education. Traditional blackboard and chalk methods have been replaced by whiteboard and markers to create a more interactive learning environment.

The campus has a total of six well-furnished classrooms, each with a seating capacity of more than forty students. Every classroom is equipped with a multimedia projector, whiteboard, ceiling fan, adequate lighting, proper ventilation, and comfortable furniture. At present, the campus possesses seven multimedia projectors, twenty-five computers, seven laptops, and six printers that are actively in use.

Furthermore, the campus maintains four well-equipped and well-furnished laboratories: the Fundamental Nursing Laboratory, Midwifery Laboratory, Basic Science Laboratory, and Community and Nutrition Laboratory. These facilities support practical learning and skill development among students.

To make teaching and learning more effective and practice-oriented, the campus has adopted modern educational technologies, including smart boards and innovative teaching materials, along with student-centered pedagogical methods. Teaching-learning activities include Power Point presentations, group discussions, seminars, workshops, case study presentations, demonstrations,

re-demonstrations, and report writing. Additionally, students are encouraged to engage in self-directed learning. Clinical skills are developed through practical exposure by posting students in various clinical areas in accordance with the curricular requirements.

10.3 PHYSICAL FACILITIES AND INFRASTRUCTURE

The Nepalgunj Nursing Campus of Tribhuvan University, Institute of Medicine (TU, IOM), is a leading institution in the Lumbini Province, dedicated to providing quality nursing education and fostering academic excellence. The campus occupies an area of 1 bigha, 16 kattha, and 14 dhur within its premises. It is supported by a team of highly qualified and dedicated faculty members, administrative personnel, and support staff who collectively contribute to a peaceful and conducive learning environment.

The campus is well-equipped with essential academic and infrastructural facilities, including skills laboratories, a computer lab, a library, and well-furnished classrooms. Transportation facilities such as a mini bus and a Tata Sumo Gold are available for students' convenience. In addition, hostel accommodations, generator backup, and free Wi-Fi access are provided to ensure a comfortable and supportive learning experience.

Altogether, the campus comprises ten buildings, including an administrative block housing various sections, faculty offices, and the library. There are also two academic buildings, two hostel blocks, and a skills laboratory building with separate rooms for nursing fundamentals, community health, midwifery, and basic science. The campus offers adequate clinical placement opportunities in specialized hospitals to enhance students' practical learning and professional exposure. Furthermore, staff residential facilities are available, including one building for the Campus Chief and two for academic and administrative staff. A canteen is also available on the premises to meet the dietary needs of students and staff.

11.QAA/EMIS

The goal of the Quality Assurance and Accreditation (QAA) system is to enhance the overall standard of higher education in Nepal. The QAA process ensures that higher education institutions meet a set of defined criteria at both the institutional and program levels to deliver quality academic outcomes and contribute effectively to societal development.

Nepalgunj Nursing Campus is currently in the process of attaining QAA certification issued by the University Grants Commission (UGC), Nepal. The campus qualified for the QAA process

after receiving the Letter of Intent (LOI) acceptance from the UGC on March 14, 2022. Under the leadership of Campus Chief Ms. Sunita Acharya, the campus has completed final PRT visit by UGC for Quality assurance Accreditation, including the Internal Quality Assurance Committee (IQAC), Education Management and Information System (EMIS), and the Self-Assessment Team (SAT). It is anticipated that Nepalgunj Nursing Campus will be QAA certified by UGC soon in near future.

12. RESEARCH ACTIVITIES

Research is a vital component of nursing education, as it significantly influences both current and future professional practice. Over the past few years, Nepalgunj Nursing Campus has developed into a prominent research-oriented institution, actively involving both faculty and students in research activities. The campus is committed to supporting and promoting research initiatives, providing a conducive environment for academic inquiry.

Faculty members and students are encouraged to engage in a wide range of research opportunities. In accordance with the curricular requirements, students of the Bachelor of Science in Nursing (B.Sc. Nursing) and Bachelor of Nursing Science (BNS) programs are required to undertake at least one research project per academic year. The campus facilitates these research activities by providing guidance, resources, and supervision, enabling students to conduct research and prepare scholarly reports. Students also have the opportunity to collaborate with experienced faculty members in diverse research settings, enhancing their practical and analytical skills.

Furthermore, several faculty members have received research grants from institutions such as the TU IOM Mini Research Grant, the Nepal Health Research Council (NHRC), and the University Grants Commission (UGC). Nepalgunj nursing campus also provide the provision of research grants for faculties and staff since last 1 year and now on process to publish its own research journal (Journal of Nepalgunj Nursing Campus). All faculty members of Nepalgunj Nursing Campus have published research articles in national and international journals, reflecting the campus's strong commitment to advancing nursing knowledge and evidence-based practice.

12.1. RESEARCH MANAGEMENT CELLS ACTIVITIES

The goal of the Campus Research Management Cell (RMC) is to advance and enhance the quality of multidisciplinary research activities. The RMC was established to facilitate research across various academic areas and to identify novel perspectives through the exploration and validation

of innovative ideas.

To promote and strengthen research activities, the RMC organized a three-day training program for faculty members on the topic of digital pedagogy from 2026/05/07 to 2026/05/09, by RMC and Nepalgunj Nursing Campus. Additionally, since June 2025, the RMC has introduced provisions for research grants for both faculty members and students to encourage scholarly inquiry and innovation. Looking ahead, the Research Management Cell plans to publish its own research journal to further disseminate academic and scientific contributions.

13. CURRICULAR AND EXTRA–CURRICULAR ACTIVITIES OF 2082/83 YEAR

S.N.	Date	Conducted by	Programe Title	Activities	Place	No. of Participants
1	2025-12-1	BNS 3nd year in collaboration with district administration office	36th World HIV/AIDS Day	Rally, flash mob	Nepalgunj, Banke	24
2.	2026-02-08 to 13	All program	Sport week	Different Games and sport activities	Nepalgunj Nursing Campus	241
3.	2026August 1-7	BSC3rdyear& Faculties	Breast Feeding	Health education	P.N.C ward, Bheri Hospital, Banke	15
4.	2026-03-16 2026-08-07	BN2ndyear BSC 4th year	Learning Resources Exhibition	Exhibition of Audio-Visual Aids	Nepalgunj Nursing Campus	**30** **30**
5.	2026-03-24	BN2ndyear,	World TB day	Rally, flashmob, awareness by dancing	Nepalgunj, Banke	100

6.	2026-04- 24	BSc first year	Oath taking Ceremony	Lamp lighting	Nepalgunj Nursing Campus	70
7.	2025/9/14	BSC1st year	Nutritional exhibition	Preparation of super flour Nutritional diet	Janaki rural municipality-3, Karmohana, Banke	150
8.	2026/07/22to 23	NNC with the Representation of all BNS and BSC students, faculties and staffs	Celebration of 67th annual day of TUIOM	Enviro-nmental sanitation and plantation programme	Nepalgunj Nursing Campus	200
9.	2026-05-22	BSC 2nd, 3rd ,BNS 2nd year and BSC	Welcome and Farewell program of BSC/BNS first year and BSC 4th year	Cultural programme, welcome and farewell activities	Siddhartha Cottage	250
10.	2025/08/25	Representation of All Program	Dance Competition	Teej Celebration	Exam hall, Nepalgunj Nursing Campus	40

13.1 ORIENTATION AND WELCOME PROGRAM TO BNS / B.SC. NURSING STUDENTS

On 13th Falgun 2082, a formal welcome and orientation program was organized for the newly enrolled students of the B.Sc. Nursing 6th batch and the Bachelor of Nursing Science (BNS) 15th batch, under the chairmanship of the Campus Chief of Nepalgunj Nursing Campus. The program included a comprehensive orientation on academic activities, library facilities, examinations, administration, accounts, and campus rules and regulations, presented by the respective department heads. A total of 40 students from the B.Sc. Nursing program, 30 students from the BNS program, along with their guardians, faculty members, and staff of the campus, participated in the event.

13.2 FAREWELL PROGRAMME

The farewell program was held on 2083 Jestha 8th for the Bachelor of Nursing Science (BNS) program and for B.Sc. Nursing 4th year program.

13.3 STUDENT WELFARE PROGRAM ACTIVITIES

The Student Welfare committee was officially established by IQAC of Nepalgunj Nursing Campus on 20th Magh 2076. The committee has following members;

S.N.	Name of Committee Member	Position at committee
1.	Sunita Acharya	Chairperson
2.	Radhika Upadhyay	Member
3.	Srijana Sapkota	Member
4.	Sharmila Thapa	Member
5.	Meera Bhattarai	Member
6.	Paikram Pasi	Member
7.	Nisha B.K.	Member
8.	Khusbu Shrestha	Member
9.	Sarswoti Nai	Member Scretory

Among different programs organized by campus following activities were coordinated by Student Welfare committee.

13.3.1 SPORTS WEEK

Sports is the celebration of the human spirit and youth, it not only inspires young minds but also teaches good values and ethics to students. The sports week was celebrated from Feburary 8 to 13, 2026. The program started with prayer at 9:00 am. All the students and teachers were very energetic that day; enthusiasm could be easily seen in their eyes. Our campus chief mam inaugurated our sports program by lighting the lamp. Various sports programs were organized by the School Sports Department on this day in which students participated according to their interests. All the games were organized in our school playground. Along with this, all the program were organized in the ground in which all the senior-most teachers, principal mam and administrative staffs were present. Both students and teachers were participated, which included tug of war, relay, musical chair, chocolate race, ghaito phutai, sagrace, pick and speak, quiz contest etc. Afterall the games were over, there was a prize distribution ceremony in which all the members of the match-winning team were given prize sat the hand so four campus chief. And in the end, our campus chief mam also gave motivational speech, in which she advised everyone to participate in the field of sports and also told many benefits of doing sports activities. The sport program was organized by student welfare committee, Nepalgunj nursing campus.

13.4 BREAST FEEDING WEEK CELEBRATION

'World Breastfeeding Week 2026 august 1st to 7thprogramme was conducted at Bheri hospital by Bachelor level students and faculties with an aim to advocate breastfeeding friendly practices in hospitals and create awareness among health care professionals and the public to support breastfeeding. Student gave health teaching regarding support needed and challenges faced during breastfeeding, early initiation of breastfeeding, skin-to-skin contact, attachment, positioning, and expression of breast milk with the practical demonstrations. To sensitize on breastfeeding and its importance in the hospital, lactation counselling was conducted among 15 mothers.

13.5 HEALTH ACTION: SCREENING OF COMMUNITY POPULATION

Health Action was conducted in the premise of Nepalgunj sub metropolitan city ward no 13 Udayapur by BN 2nd year on 2083-01- 28. During the program screening of Blood pressure and Random blood sugar was done. Similarly, the campus has conducted health action; screening of blood sugar, blood pressure measurement and Pap smear test at Khajura and Raptisunari Muncipalities at Banke under community linkage program with support of UGC.

Nepalgunj nursing campus also conducted 21 days of NCD and cervical screening campaign in raptisonari rural municipality ward no 3, 4, 5 and khajura rural municipality ward no 3, 4, 5 altogether 582 population was benifited by this camp which was financially supported by UGC and Nepalgunj Nursing Campus in 2082.

13.6 NUTRITION EXHIBITION

Nutritional exhibition provides knowledge of nutritious intake of food for healthy living, disease prevention and treatment. The main reason behind unhealthy food habits is the lack of knowledge so awareness about food habits is important. Hence "Nutrition Exhibition" was organized on 2082/4/02 by BSC. Nursing 1st year. The duration of the exhibition was 2 hours. Approximately100 participants were benefited by this program among which both literate and illiterate people were the participants. The objectives of the program was to develop the personal skills and motivation to adopt healthy eating practice by describing the advantage of balance diet. The program also focused on awareness of malnutrition on the people and how it can be prevented by maintaining balanced diet. This program also focused on how to improve nutritional status of an individual and family. An exhibition was conducted including the topics like preparation of sarbottampitho(lito), Nutritional pyramid, Diet for pregnant and breast-feeding women.

13.7 SCHOOL HEALTH PROGRAM

Children as change agents been utilized by the health industry to stream line the society in a couple of occasions and several research articles do proclaim the strength of this approach. Keeping this view in mind the students of our institutes are being asked to visit the schools in the local community as a part of their field visits. The school health program was conducted on shrawan 03 2082. During school health program, health examination of students and BMI and Dental Screening was done. Most of these programs concentrate on topics like physical activity, sound mind, hygiene, Prevention of communicable diseases, healthy eating, dentalcare, Respiratory ailments etc. The education is imparted using skits and a variety of health songs. At the end of each program, we had a question-and-answer session to make learning more concrete. Health camps, national health programs and international health days.

13.9 EDUCATION VISIT

TWO WEEKINSTITUTIONAL VISIT

BSC Nursing 1st year student visited different institute from Baisakh 27 to Jestha 08 2083 such as Sub Metropolitan, salt Trading Corporation, Nepalgunj Water Supply Corporation dumping Site, Industrial Area, Health office located in different parts of Bank District. The purpose of institutional field visit was to gain knowledge about industrial establishment, objectives, goal, organogram, Status of Health and budget.

GERIATRIC HEALTH CENTER VISIT

As part of Curriculum requirement, a visit to Neel sagar Oldage Shelter Nepal, an old age home at Shanti nagar, Banke. There were 75 elderly female and 28 elderly male inmates at the old age home along with 58 children. The students of the college interacted with the elderly followed by an entertainment program with music, action songs, and dance. The inmates were very happy and blessed everyone. Later, fruits were distributed to them. It was a joyous occasion with full of satisfaction that the team could bring some rays of happiness among the elderly.

VISIT TO REHABILITATION CENTER

Bachelor in Nursing 1st and BSc 2nd year Nursing Students visited Prerana De addiction Centre on Nepalgunj for fulfillment of clinical objectives and gained in depth knowledge of different levels of mental health services available in institute for patients. Similarly, students were also visited to Aashadeep Rehabilitation Center, Kathmandu during their psychiatric nursing clinical posting.

VISIT AUTISM CARE NEPAL SOCIETY (ACNS)

Every year, BNS 2nd year student visited to Autism Care Nepal Society (ACNS) during their posting at Mental Hospital, Kathmandu. Austism Care Nepal society was founded on 2nd April 2008 on the occasion of the World Autism Awareness Day. It is the only active autism organization in Nepal that is run by passionate parents that care for persons with autism. It is a non-governmental, nonprofit making, non-political NGO registered in District Administration office.

14. CAMPUS ALUMNIASSOCIATION

Nepalgunj nursing campus has gathered passionate ex-students groups in the campus premises and formed 11-member AD Hoc committee named (Tadartha) which was responsible to form "Campus Alumni Forum". Now it has been recently registered officially as an "Nepalgunj Nursing Campus Alumni Forum" The 11 elected members was elected in the committee are: -

1. President- Ms. Saraswati PC
2. Depeuty President- Ms Sunita Acharya
3. Member Secretary- Ms. Vimala Sharma
4. Treasure- Ms Sharmila Thapa

Members

1. Mr Raj Kumar Dhir
2. Ms Dev maya Ghale
3. Ms Pratikshya Dangi
4. Ms Shanti Giri
5. Ms Sunita Dhakal
6. Ms Sandeepa Sakya
7. Ms Neelima Giri

On the occasion of International Nursing Day, the elected member held blood donation programme in Red Cross society of Bheri Hospital. The committee is actively working and support for the development of the campus

The Alumni celebrated Geriatric Day by spending quality time with elderly individuals and donating fruits and food items to those residing in an old age home.

Five Years Strategic Plan (2026–2030) and Action Plan of Nepalgunj Nursing Campus

Action Plan for Academic Excellence						
Strategies: Revise Curriculum, Integrate ICT, establish postgraduate program, Strengthen continues Professional development program						
S.N.	**Activity**	**Implementing Year**	**Estimated Budget (NRs in Lakh)**	**Source of Fund**	**Responsibility**	**Indicators (Monitoring & Evaluation)**
1	Participate in regular Curriculum review workshop organized by responsible body.	2025-2030	–	–	Academic Council, Curriculum Development Center Dean's Office	-Revised curriculum approved -No. of simulation-based classes -No. of new
2	Initiating efforts for coordination and collaboration with national and international institutions for making standardized of bachelor curriculum	2025-2030	–	–	Dean's Office Campus Chief	
3	Strengthen Academic Monitoring & Quality Assurance Cell	2025-2030	3	Campus / UGC	Campus Chief / HOD	
4	Academic support to departments to improve pass rate	2025-2030	7	Campus	Campus Chief / HOD	

5	Strengthen student counseling & career guidance cell	2025-2030	2	Campus	Campus Chief / Counseling Cell	programs -Student enrollment
6	Annual hospital–industry dialogue and stakeholder meetings	Annually 2025-2030	1	Campus	Campus Chief	
7	Invite visiting faculties / clinical experts	Annually 2025-2030	2	Campus	HOD	
8	Establish student feedback system	Each Academic Session	–	–	HOD / IQAC	
9	Formulate workload & extra class policy	Yearly Review 2025-2030	–	–	Campus Chief/ HOD	
10	Install more CCTV for secure learning environment	One-time 2026-2028	5	Campus	Campus Chief	
11	Working to established simulation-based laboratory and smart board for students in each class.	2025-2030	20	Campus / Donor	HOD / IT Uni	
12	Feasibilities study of Master in Nursing program with IoM, TU curriculum.	2025-2030	–	–	Academic Council, Curriculum Development Center Dean's Office	

					Campus Chief	
13	Regularly performed CPD training to facult and staff.	Continued till 2030	2	Campus	Research Committee & CPD Committee	
14	Formulation of examination directives and capacity development of examination cell	2025-2030		Campus	IQAC	

Action plan for Research Excellence and Creative Endeavour
